Subject: Regarding Prior Address Change

PO9000042 691

Dear DOC,

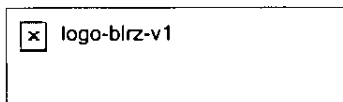

We notice from our last address change there was a mis-entry by a member of your staff. In our change requested, we noted the end of the address as 514, but you guys marked it as 512. I notice on the e-mail I sent and on state record, the request was correct, just the current record is not. Can you please correct this?

Peace,

Christopher Clai "Pulse"
