Subject: INC formation

Hi,

I have a customer we just filled his documents for:
Jalopy Joe's Bar, Inc.

Under article two it ask for the business and mailing address. The address we listed is just for their business, but no mail is received there. Would I need to file a correction to list his business address first and then his mailing address next under article 2? How should I correct this on the articles we filed?

Thanks,
Terese Coulthard
