Subject: Address Change----- ASAP

This is concerning removing my home address which in under the business name it shows that its 56 AVE NE 3270, NAPLES, FL 34120 which is my home address (I wish not to have consumers knowing where I sleep at night). This was informed to me by customers looking for my resturant and was advised that my personal information was located on someone else's website which corrected the error and I was advised by that company that they got the address information from www.sunbiz.org Please can you sent me the information what I need to do to remove my personal home address and replacing it with the correct business address.

Thank you,
