Attn Shareholders:

Please let this letter server as my resignation both as a Shareholder and Corporate Secretary for DFLtel Corp effective December 31, 2014 with my shares to be distributed equally between the remaining two shareholders. At this time my career plans are moving towards data operations while DFLtel is and will continue to be a VoIP based operation.

I wish to thank everyone involved for the opportunity I was given to work with this team and to grow both professionally and personally. I know that what this small team was able to accomplish was at times unprecedented and ground breaking.

As per the last shareholder meeting, any resignation should entitle that person to 3 months salary based on the most recent level however I would like to leave these funds with the company to settle any possible liabilities that may have developed during my tenure.

At this time my responsibilities include:

- 1) Maintaining Quickbooks (including projections, payments and receipts)
- 2) All corporate paperwork with the banks, state and federal and telecommunication entities.
- 3) Maintaining the VoIP network (including LD_billing and the Cisco VoIP equipment)
- 4) Invoicing.

I would strongly suggest that Nikki or Alina from SRACPA be engaged to do the books and projections every Monday rather than you guys trying to take on this additional responsibility. This can be done in 1-2 hours at \$80/hour. They can also handle the state and federal paperwork while Alonzo can continue to do all the telecom related filings. I will show you how to do the invoicing on Monday (next cycle) but any problems related to future invoices as well as operation of the billing system can be outsourced to CaribbeanLink (the solution vendor).

I can always be reached at 1 305 495 1093 or leon.mccalla@caribbeanlink.com

Sincerely,

Leon McCalla
