Dear Diane Cushing,

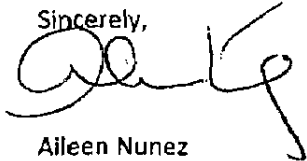

500161993955

Please be advised that we requested dissolution of Family Wellness Healing Center Corp. and have no intentions in reopening this corporation in the future. The name we have selected and the new officers for the corporation are found in Document W09000044971 for Family Wellness and Healing Center Corp.

I really appreciate your assistance with completing the filing for the new corporation so that we may establish our new location of business and open our bank accounts with the new documents.

Thank you again for your cooperation and attention to this matter.

Sincerely,

Aileen Nunez
