Dear.Sirs, please be made aware that Terri Vaniwarden Romero and Rafael Romero have been co-owners of Profound Medical Equipment Inc. since its inception on Oct 22, 2009. Each party has owned 50% interest in Profound Medical Equipment Inc. since its creation. Please also be aware that due to a pending divorce case filed on Nov 30, 2015 the parties have been barred by court Administrative Order from tampering with any and all marital assets. It has come to my attention there has been a change in the official SunBiz records in gross violation of the referred to court administrative order (see documents attached). I am requesting that the administrative order be recognized and respected forthwith, and that the official Sunbiz records be rectified to reflect the historical realities of the company prior to Nov 30, 2015.

We request a swift resolution to this serious matter and look forward to your reply and confirmation of rectification.

If you have any questions or concerns, please feel free to contact me at that contacts provided below.

Thank you,

Rafael Romero

Dear Sirs,

I am making this amendment because Terri Vaniwarden Romero has taken my name off the business fraudulently and has stolen my business, I have been 50% owner and founder of profound medical equipment sense the first minute of conception and first day of operation we have had the same professional tax office at 320 s. bumby ave. suite 10 Orlando fl. 32803 (407/896/7921) Mr. Pablo Rodriguez doing are taxes from the beginning who can and will verify all taxes stating my ownership of Profound medical equipment Inc.

These changes have been made while the owners and husband and wife our (under administrative court order sense Nov. 30, 2015). On or about February 8, 2016 it was learned that Terri's 29 year old daughter from prier marriage Heather Vaniwarden who was working as a sales agent for my company had opened a company (The Elevator and stair lift store) that is doing the same type of business Terri was diverting business to that company, also questions from myself and company financial officer of tens of thousands of dollars being misappropriated by Terri who was the acting office manager, questions of advertising dollars for stiltz home elevator revenue still in question and other misuse of company funds.

Terri is still refusing and or hiding to share the true corporation records and has stolen hundreds of thousands of dollars' worth of product and inventory tools and files , company vehicles computers and much more while making Faults claims against me the 50% owner of profound medical equipment

Sincerely,

Rafael Romero
