We received your electronically transmitted document. However, the document has not been filed. Please make the following corrections and refax the complete document, including the electronic filing cover sheet.

The Florida Statutes require an entity to designate a street address for its principal office address. A post office box is not acceptable for the principal office address. The entity may, however, designate a separate mailing address. The mailing address may be a post office box.

An effective date may be added to the Articles of Incorporation if a 2010 date is needed, otherwise the date of receipt will be the file date. A separate article must be added to the Articles of Incorporation for the effective date.

If you have any further questions concerning your document, please call (850) 245-6929.
