Subject: Error In Company Information

In review of our corporate filing information, it has come to our attention that there is an error in Document Number P9000093612 for R & R Business Solutions Of Florida, Inc.

The Principal Street Address and the PO Box Mailing Address of "2533" in Tarpon Springs in the first section for the company filing is correct. However, in the Officer/Director Detail section the PO Box number for both the officers has been transposed to "2355", which is incorrect. For both officers the PO Box should be the same as the company mailing address, PO Box 2533. *Should Be*

What is the correct procedure for correcting this information? We were unable to find a form on line such as an "amendment" form, only yearly filing forms, new registration forms, procedures for filing rejections (which is was not), etc.

Your assistance in this matter is appreciated.
