Thank you for getting back to me , it turns out IRS actually made the mistake this time they even entered the wrong #, so we got that straightened out. The correct # is 80-0531075. When you add this # will this not only go on the list if you search for FEIN #, but also if you search by name, will it change on that page, so instead of saying none it will show up what the # is on all searches. Thanks again, Arthur Eckroth

Hi Arther,

The FEI # has 9 digits actually. Can you please look over your records and check the number, just forward me the number and I will add it to your file.

Thank you,
Erin Malave
