I filed on-line information to incorporate our Limited Partnership Gulf Bay Reporting. Today I received notification that we couldn't incorporate under Gulf Bay Reporting, Inc., because the name is too close to Gulf Bay Reporting, Ltd. My husband, Robert E. Downs, and myself, Gertrude B. Downs, are the principals in Gulf Bay Reporting, Ltd., and will be the principals in our corporation which we would like to name Gulf Bay Reporting, Inc.

I'm trying to accomplish this before Jan 1, 2010, and would appreciate help in how to correct this. Thank you for your help. I can be reached at glfbay@yahoo.com or 850-769-4853.

Sincerely,

Trudie Downs, FPR
