We have received your document for A. ECONO ROOTER INC and your check(s) totaling \$75.00. However, the enclosed document has not been filed and is being returned for the following correction(s):

The name designated in your document is unavailable since it is the same as, or it is not distinguishable from the name of an existing entity.

Please select a new name and make the correction in all appropriate places. One or more major words may be added to make the name distinguishable from the one presently on file.

Adding "of Florida" or "Florida" to the end of a name is not acceptable.

The Florida Statutes require an entity to designate a street address for its principal office address. A post office box is not acceptable for the principal office address. The entity may, however, designate a separate mailing address. The mailing address may be a post office box.

The registered agent must sign accepting the designation.

Please provide us with an email address for this business entity. The Division of Corporations sends important reminders and notices to those business entities that have provided our office with an email address. Make sure your entity receives these helpful communications by providing our office with an active email address.

The document is illegible and not acceptable for imaging. We ask that you type or carefully print the information in the appropriate blocks.

An effective date may be added to the Articles of Incorporation if a 2010 date is needed, otherwise the date of receipt will be the file date. A separate article must be added to the Articles of Incorporation for the effective date.

Please return the corrected original and one copy of your document, along with a

copy of this letter, within 60 days or your filing will be considered abandoned.

If you have any questions concerning the filing of your document, please call (850) 245-6929.
