Please list our Tax number on the Sunbiz website under our corporation. I am not able to be appointed to some insurance companies because they must be able to have our record come up when our tax id number is put into Sunbiz. Our document number is P10000003965. Please let me know as soon as it is corrected so that I can fax a copy of screen printout to the carriers that are waiting on it.

Thank you so much for your assistance.
