Subject: RE: Corporate Filing - 500166114805

The EIN for KARDware is 27-1661784.

Also, I registered the corporation on January 13th but it shows the 14th. I would have put the effective date of the 13th if I knew it would have been put to the next business day. I am in central time zone and all my receipts say the 13th. The instructions said that if you want it on any other day, enter the effective date. Since my receipts, etc. say the 13th, there was nothing to tell me that it would have been any thing other than the 13th.

Is there anyway to change the effective date to the 13th?

Thanks,
Kevin A.R. Dillard
