We have received your document for FLORIDA TESTING & ENGINEERING, INC. and your check(s) totaling \$87.50. However, the enclosed document has not been filed and is being returned for the following correction(s):

The Florida Statutes require an entity to designate a street address for its principal office address. A post office box is not acceptable for the principal office address. The entity may, however, designate a separate mailing address. The mailing address may be a post office box.

The only acceptable words for designation as a professional association are PROFESSIONAL ASSOCIATION, P.A., and CHARTERED.

The specific business purpose of the professional association must be stated in the document.

Please return your document, along with a copy of this letter, within 60 days or your filing will be considered abandoned.

If you have any questions concerning the filing of your document, please call (850) 245-6934.
