STATEMENT OF FACTS

I am Lyana Vazquez, the President of **VAZQUEZ & SANTIAGO HOLDING INC.** On 7/12/2023 I filed a Florida Profit Corporation Amended Annual Report because my corporation that has been established since 2010, has been subject to identity theft for the second time this year.

The first time someone went and filed a FLORIDA PROFIT CORPORATION AMENDED ANNUAL REPORT on 5/26/2023. In this occasion, the person changed the current address, the Register Agent address and the Officer address. When I received the notification of this amended annual report, I immediately called the Florida Department of State and informed them that I did not make this amended report. The representative that answered my call told me to go back to my document and enter my information.

The second time a person named Stephen C Michael went and filed a FLORIDA PROFIT CORPORATION AMENDED ANNUAL REPORT on 7/11/2023. In this occasion, this person changed the current address, the Register Agent Name and address and the Officer Name and address. When I received the notification of this amended annual report, I immediately called the Florida Department of State and the representative that answered my call suggested to 1) Write and send you a **STATEMENT OF FACTS**. 2) Go back and file a Florida Profit Corporation Amended Annual Report and amend the UNAUTHORIZED AMENDED ANNUAL REPORT. 3) To file a Police Report.

I declare that I, Lyana Vazquez, is the sole owner and President of **VAZQUEZ & SANTIAGO HOLDING INC. Document Number P10000007954** and that no one else is authorized to make changes to this corporation.

Subscribed before me Edna Morales Nieves, notary public of the state of Florida, personally appeared Lyana Vazquez, that presented a state of Florida driver license, declare that "Under penalties of perjury that to the best of her knowledge and belief, that the information declared above is true".
