## Employer Identification Number Verification Form

**Note:** Form must be accompanied by a completed 8821.

The IRS Practitioner Priority Service hotline (866-860-4259) can be used to confirm a taxpayer's EIN verbally. Make every attempt to procure alternate sources of federal documentation. This includes having the client contact the IRS directly in order to receive a federal document.

For extreme cases where it is not possible to obtain any form of documentation, Taxpay<sup>®</sup> will accept new loads without federal documentation, as long as there is a documented conversation with the IRS. The documented conversation should include the name and badge ID number of the IRS representative that verified the client's EIN number, name, and address.

All fields are required.

Good afternoon,

A current client of ours asked me to forward this IRS information to you.

Apparently the EIN# has never been updated on Sunbiz, so could you please use the supporting information to enter in their: FEI/EIN Number?

They just submitted their DR-1 online application today, and they did not want the missing FEI/EIN Number, to hold up getting a SUI Acct#.

If you have any questions, please feel free to call me or the client.

Client Contact: Joseph M Modeste Tel# 407-425-7701

Thank you for your time.
