Subject: business address change

To whom it may concern,
I recently applied for a business license and was not clear on where to put the business address on the application. I have my home address in its place. I would like to change it to the following:

T & H Consignment & More Inc.
9889 South Glenn Avenue
Glenn Saint Mary, Florida
32040

My EIN is 27-2231312
File # P10000027507

I hope this is what's needed to make the changes, thanks for your time.
Sincerely,
Tina Harrell
