T-GREEN SALES, INC.  
Florida document number P10000042174

Thank you for your e-mail. Because the above corporation converted from a corporation into an LLC in 2010, its first annual report will be due next year. The Annual Report is due in January of each year and late if not filed by May 1<sup>st</sup>. The filing fee is \$150, and there is an additional \$400 late fee after May 1<sup>st</sup>. Please note that the annual reports are due by May 1st of each year, and you will always use your same document number to access your report each year. You can file the report as early in each year as you would like. It is the responsibility of each entity to file its report by May 1st of each year.

Please note that a "fictitious name" is a different filing. If you have a "fictitious name" filing, please let us know the full name and the Florida registration number of that filing so that we may properly advise you. If you were only asking about the corporation shown above, you only need to file the 2011 report next year as explained above.

Thank you.
