Subject: How do I register my EIN number with my new "active" corporation?

I went on line and saw that you activated me. (One of them was not activated... was me and my info, sort of confused about that.

BUT, I did start to incorporate in Nevada and did not complete that because becoming foreign here and I am here seemed too confusing

But the activated one is HENRY THE METAL MAN INC. DOC NUMBER: P10000043778
effective 05/21/2010

My EIN is 27-2619570

My email for the business operations and corporate matters, filings, etc, henry.hauling@gmail.com

So please let me know how I do this to properly.

And please tell me what else I need to do.

Or send me a site for Florida requirements in initial corp bus set up so I don't miss anything.

Thanks
