B. The Corporation amended and restated the Original Articles (the "Amended and Restated Articles") on May 10, 2013. The Corporation amended and restated the Amended and Restated Articles (the "Second Amended and Restated Articles") on March 3, 2015 and filed the Second Amended and Restated Articles with the Secretary of State of the State of Florida on the same day. The Corporation amended and restated the Second Amended and Restated Articles (the "Third Amended and Restated Articles") on September 2, 2015 and filed the Third Amended and Restated Articles with the Secretary of State of the State of Florida on September 4, 2015.

C. This Fourth Amended and Restated Articles of Incorporation (hereafter referred to as the "Articles of Incorporation") was duly adopted in accordance with Sections 607.1003 and 607.1007 of the Business Corporation Act of the State of Florida (the "FBCA") and restates and amends in its entirety the provisions of the Corporation's Third Amended and Restated Articles, and has been duly and unanimously approved by the Written Consent of the Board of Directors in accordance with Sections 607.0704 and 607.0821 of the FBCA. No shareholder vote was required.

D. The text of the Third Amended and Restated Articles of this Corporation is hereby amended and restated in its entirety to read in its entirety as follows:

**ARTICLE I**  
**NAME**

The name of the corporation is **BioFront Technologies, Inc.** (the "Corporation").

The address of the Corporation's registered office in the State of Florida is 4208 Grove Park Dr., in the City of Tallahassee, County of Leon, 32311, and the name of the registered agent at such address is Jason Robotham.

### **ARTICLE III**

#### **PURPOSE**

The purpose of the Corporation is to engage in any lawful act or activity for which corporations may be organized under the Business Corporation Act of the State of Florida, as the same may be amended and supplemented from time to time (the "FBCA").

### **ARTICLE IV**

#### **CAPITAL STOCK**

The total number of shares of capital stock that the Corporation shall have authority to issue is 2,690 shares, par value \$0.00001 per share, consisting of two separate classes divided and designated as follows: (i) 2,000 shares of common stock, par value \$0.00001 per share ("Common Stock"); and (ii) 690 shares of preferred stock, par value \$0.00001 per share ("Preferred Stock").

Except as otherwise restricted by this Articles of Incorporation, the Corporation is authorized to issue from time to time all or any portion of the capital stock of the Corporation that is authorized but not issued to such person or persons and for such lawful consideration as it may deem appropriate, and generally in its absolute discretion to determine the terms and manner of any disposition of such authorized but unissued capital stock.

Any and all such shares issued for which the full consideration has been paid or delivered shall be deemed fully paid shares of capital stock, and the holder of such shares shall not be liable for any further call or assessment or any other payment thereon.

The voting powers, designations, preferences, privileges and relative, participating, optional or other special rights, and the qualifications, limitations and restrictions of each class of capital stock of the Corporation shall be as hereafter provided in this Article IV.

#### **A. COMMON STOCK.**

1. General. The rights of the holders of the Common Stock with respect to dividends and upon the liquidation, dissolution and winding up of the Corporation's affairs, are subject to and qualified by the rights of the holders of Preferred Stock as specified herein and any other class of the Corporation's capital stock that may hereafter be issued and outstanding having rights in the event of the liquidation, dissolution, or winding-up of the Corporation senior to or *pari passu* with the rights of holders of Common Stock. Each share of Common Stock shall be treated identically as all other shares of Common Stock with respect to dividends, distributions, rights in liquidation and in all other respects.

2. Voting. Each holder of shares of Common Stock is entitled to one vote for each share thereof held by such holder at all meetings of shareholders (and written actions in lieu of

meetings). There shall be no cumulative voting. The number of authorized shares of Common Stock may be increased or decreased (but not below the number of shares thereof then outstanding) by the affirmative vote of the holders of a majority of the combined number of the Corporation's issued and outstanding Common Stock and Preferred Stock that votes together with the Common Stock generally, irrespective of the provision of Section 607.1004 of the FBCA.

3. Dividends. Dividends may be declared and paid on the Common Stock from funds lawfully available therefor as and when determined by the Board of Directors and subject to any preferential dividend rights of any then outstanding shares of Preferred Stock and any other classes or series of the Corporation's capital stock that may hereafter be authorized and issued having preferred dividend rights senior to or *pari passu* with the rights of holders of Common Stock.

4. Liquidation. In the event of the liquidation, dissolution, or winding-up of the Corporation, holders of Common Stock will be entitled to receive all assets of the Corporation available for distribution to its shareholders, subject to the rights and preferences of any then outstanding shares of Preferred Stock and any other classes or series of the Corporation's capital stock that are issued and outstanding having rights upon the occurrence of the liquidation, dissolution, or winding-up of the Corporation senior to or *pari passu* with the rights of holders of Common Stock.

## B. PREFERRED STOCK.

1. General. Each series of Preferred Stock shall be so designated as to distinguish the shares thereof from the shares of all other series and classes.

3. Series A Preferred Stock. Six-hundred-ninety (690) shares of the authorized and unissued Preferred Stock of the Corporation are hereby designated "**Series A Preferred Stock**" with the following rights, preferences, powers, privileges and restrictions, qualifications and limitations. Unless otherwise indicated, references to "Sections" or "Subsections" in this Part B of this Article IV refer to sections and subsections of Part B of this Article IV.

### 3.1 Liquidation, Dissolution or Winding Up.

3.1.1. Preferential Payments to Holders of Series A Preferred Stock. In the event of any voluntary or involuntary liquidation, dissolution or winding up of the Corporation, the holders of shares of Series A Preferred Stock then outstanding shall be entitled to be paid out of the assets of the Corporation available for distribution to its shareholders before any payment shall be made to the holders of Common Stock by reason of their ownership thereof, an amount per share equal to the greater of (i) the "Series A Preferred Original Issue Price" (as defined below), together with any dividends declared but unpaid thereon, or (ii) such amount per share as would have been payable had all shares of Series A Preferred Stock been converted into Common Stock pursuant to Section 3.3 immediately prior to such liquidation, dissolution, or winding up. If upon any such liquidation, dissolution or winding up of the Corporation, the assets of the Corporation available for distribution to its shareholders shall be insufficient to pay the holders of shares of Series A Preferred Stock the full amount to which they shall be entitled under this Section 3.1.1, the holders of shares of Series A Preferred Stock shall share ratably in any distribution of the assets available for distribution in proportion to the respective amounts which would otherwise be payable in respect of the shares held by them upon such distribution if all amounts payable on or with respect to such shares were paid in full. The "**Series A Preferred Original Issue Price**" shall mean: \$2,000 per share for shares of Series A Preferred Stock issued to those certain stockholders listed on the Company's Preferred Stock Ledger maintained in the Company's books and records (the "**Preferred Stock Ledger**"), \$3,516.17 per share for shares of Series A Preferred Stock issued to those certain stockholders listed on the Company's Preferred Stock Ledger, and \$3,551.44 per share for shares of Series A Preferred Stock issued to those certain stockholders listed on the Company's Preferred Stock Ledger, in each case, subject to appropriate adjustment in the event of any stock dividend, stock split, combination or other similar recapitalization with respect to the Series A Preferred Stock.

3.1.2. Payments to Holders of Common Stock. In the event of any voluntary or involuntary liquidation, dissolution or winding up of the Corporation, after the payment of all preferential amounts required to be paid to the holders of shares of Series A Preferred Stock, the remaining assets of the Corporation available for distribution to its shareholders shall be distributed among the holders of shares of Common Stock, pro rata based on the number of shares held by each such holder.

### 3.2 Voting.

3.2.1. General. On any matter presented to the shareholders of the Corporation for their action or consideration at any meeting of shareholders of the Corporation (or by written consent of shareholders in lieu of meeting), each holder of outstanding shares of Series A Preferred Stock shall be entitled to cast the number of votes equal to the number of whole shares of Common Stock into which the shares of Series A Preferred Stock held by such holder are convertible as of the record date for determining shareholders entitled to vote on such matter. Except as provided by law or by the other provisions of the Articles of Incorporation, holders of Series A Preferred Stock shall vote together with the holders of Common Stock as a single class.

### 3.3 Optional Conversion.

The holders of the Series A Preferred Stock shall have conversion rights as follows (the “**Conversion Rights**”):

#### 3.3.1. Right to Convert.

(a) Conversion Ratio. Each share of Series A Preferred Stock shall be convertible, at the option of the holder thereof, at any time and from time to time, and without the payment of additional consideration by the holder thereof, into such number of fully paid and nonassessable shares of Common Stock as is determined by dividing the Series A Preferred Original Issue Price by the Series A Preferred Conversion Price (as defined below) in effect at the time of conversion. The “**Series A Preferred Conversion Price**” shall initially be equal to the Series A Preferred Original Issue Price. Such initial Series A Preferred Conversion Price, and the rate at which shares of Series A Preferred Stock may be converted into shares of Common Stock, shall be subject to adjustment as provided below.

(b) Termination of Conversion Rights. In the event of a liquidation, dissolution or winding up of the Corporation, the Conversion Rights shall terminate at the close of business on the last full day preceding the date fixed for the payment of any such amounts distributable on such event to the holders of Series A Preferred Stock.

3.3.2. Fractional Shares. No fractional shares of Common Stock shall be issued upon conversion of the Series A Preferred Stock. In lieu of any fractional shares to which the holder would otherwise be entitled, the Corporation shall pay cash equal to such fraction multiplied by the fair market value of a share of Common Stock as determined in good faith by the Board of Directors of the Corporation. Whether or not fractional shares would be issuable upon such conversion shall be determined on the basis of the total number of shares of Series A Preferred Stock the holder is at the time converting into Common Stock and the aggregate number of shares of Common Stock issuable upon such conversion.

#### 3.3.3. Mechanics of Conversion.

(a) Notice of Conversion. In order for a holder of Series A Preferred Stock to voluntarily convert shares of Series A Preferred Stock into shares of Common Stock, such holder shall surrender the certificate or certificates for such shares of Series A Preferred Stock (or, if such registered holder alleges that such certificate has been lost, stolen or destroyed, a lost certificate affidavit and agreement reasonably acceptable to the Corporation to indemnify the Corporation against any claim that may be made against the Corporation on account of the alleged loss, theft or destruction of such certificate), at the office of the transfer agent for the Series A Preferred Stock (or at the principal office of the Corporation if the Corporation serves as its own transfer agent), together with written notice that such holder elects to convert all or any number of the shares of the Series A Preferred Stock represented by such certificate or certificates and, if applicable, any event on which such conversion is contingent. Such notice shall state such holder's name or the names of the nominees in which such holder wishes the certificate or certificates for shares of Common Stock to be issued. If required by the Corporation, certificates surrendered for conversion shall be endorsed or accompanied by a

written instrument or instruments of transfer, in form satisfactory to the Corporation, duly executed by the registered holder or his, her or its attorney duly authorized in writing. The close of business on the date of receipt by the transfer agent (or by the Corporation if the Corporation serves as its own transfer agent) of such certificates (or lost certificate affidavit and agreement) and notice shall be the time of conversion (the "**Conversion Time**"). and the shares of Common Stock issuable upon conversion of the shares represented by such certificate shall be deemed to be outstanding of record as of such date. The Corporation shall, as soon as practicable after the Conversion Time, (i) issue and deliver to such holder of Series A Preferred Stock, or to his, her or its nominees, a certificate or certificates for the number of full shares of Common Stock issuable upon such conversion in accordance with the provisions hereof and a certificate for the number (if any) of the shares of Series A Preferred Stock represented by the surrendered certificate that were not converted into Common Stock, (ii) pay in cash such amount as provided in Subsection 3.3.2 in lieu of any fraction of a share of Common Stock otherwise issuable upon such conversion and (iii) pay all declared but unpaid dividends on the shares of Series A Preferred Stock converted.

(b) Reservation of Shares. The Corporation shall at all times when the Series A Preferred Stock shall be outstanding, reserve and keep available out of its authorized but unissued capital stock, for the purpose of effecting the conversion of the Series A Preferred Stock, such number of its duly authorized shares of Common Stock as shall from time to time be sufficient to effect the conversion of all outstanding Series A Preferred Stock; and if at any time the number of authorized but unissued shares of Common Stock shall not be sufficient to effect the conversion of all then outstanding shares of the Series A Preferred Stock, the Corporation shall take such corporate action as may be necessary to increase its authorized but unissued shares of Common Stock to such number of shares as shall be sufficient for such purposes, including, without limitation, engaging in best efforts to obtain the requisite shareholder approval of any necessary amendment to the Articles of Incorporation. Before taking any action which would cause an adjustment reducing the Series A Preferred Conversion Price below the then par value of the shares of Common Stock issuable upon conversion of the Series A Preferred Stock, the Corporation will take any corporate action which may, in the opinion of its counsel, be necessary in order that the Corporation may validly and legally issue fully paid and nonassessable shares of Common Stock at such adjusted Series A Preferred Conversion Price.

(c) Effect of Conversion. All shares of Series A Preferred Stock which shall have been surrendered for conversion as herein provided shall no longer be deemed to be outstanding and all rights with respect to such shares shall immediately cease and terminate at the Conversion Time, except only the right of the holders thereof to receive shares of Common Stock in exchange therefor, to receive payment in lieu of any fraction of a share otherwise issuable upon such conversion as provided in Subsection 3.3.2 and to receive payment of any dividends declared but unpaid thereon. Any shares of Series A Preferred Stock so converted shall be retired and cancelled and may not be reissued as shares of such series, and the Corporation may thereafter take such appropriate action (without the need for shareholder action) as may be necessary to reduce the authorized number of shares of Series A Preferred Stock accordingly.

(d) No Further Adjustment. Upon any such conversion, no adjustment to the Series A Preferred Conversion Price shall be made for any declared but unpaid dividends on the Series A Preferred Stock surrendered for conversion or on the Common Stock delivered upon conversion.

(e) Taxes. The Corporation shall pay any and all issue and other similar taxes that may be payable in respect of any issuance or delivery of shares of Common Stock upon conversion of shares of Series A Preferred Stock pursuant to this Section 3.3. The Corporation shall not, however, be required to pay any tax which may be payable in respect of any transfer involved in the issuance and delivery of shares of Common Stock in a name other than that in which the shares of Series A Preferred Stock so converted were registered, and no such issuance or delivery shall be made unless and until the person or entity requesting such issuance has paid to the Corporation the amount of any such tax or has established, to the satisfaction of the Corporation, that such tax has been paid.

3.3.4. Adjustment for Stock Splits and Combinations. If the Corporation shall at any time or from time to time after the date on which the first share of Series A Preferred Stock was issued (the "**Series A Preferred Original Issue Date**") effect a subdivision of the outstanding Common Stock, the Series A Preferred Conversion Price in effect immediately before that subdivision shall be proportionately decreased so that the number of shares of Common Stock issuable on conversion of each share of such series shall be increased in proportion to such increase in the aggregate number of shares of Common Stock outstanding. If the Corporation shall at any time or from time to time after the Series A Preferred Original Issue Date combine the outstanding shares of Common Stock, the Series A Preferred Conversion Price in effect immediately before the combination shall be proportionately increased so that the number of shares of Common Stock issuable on conversion of each share of such series shall be decreased in proportion to such decrease in the aggregate number of shares of Common Stock outstanding. Any adjustment under this subsection shall become effective at the close of business on the date the subdivision or combination becomes effective.

3.3.5. Adjustment for Certain Dividends and Distributions. In the event the Corporation at any time or from time to time after the Series A Preferred Original Issue Date shall make or issue, or fix a record date for the determination of holders of Common Stock entitled to receive, a dividend or other distribution payable on the Common Stock in additional shares of Common Stock, then and in each such event the Series A Preferred Conversion Price in effect immediately before such event shall be decreased as of the time of such issuance or, in the event such a record date shall have been fixed, as of the close of business on such record date, by multiplying the Series A Preferred Conversion Price then in effect by a fraction:

(a) the numerator of which shall be the total number of shares of Common Stock issued and outstanding immediately prior to the time of such issuance or the close of business on such record date, and

(b) the denominator of which shall be the total number of shares of Common Stock issued and outstanding immediately prior to the time of such

issuance or the close of business on such record date plus the number of shares of Common Stock issuable in payment of such dividend or distribution.

Notwithstanding the foregoing, (a) if such record date shall have been fixed and such dividend is not fully paid or if such distribution is not fully made on the date fixed therefor, the Series A Preferred Conversion Price shall be recomputed accordingly as of the close of business on such record date and thereafter the Series A Preferred Conversion Price shall be adjusted pursuant to this subsection as of the time of actual payment of such dividends or distributions; and (b) that no such adjustment shall be made if the holders of Series A Preferred Stock simultaneously receive a dividend or other distribution of shares of Common Stock in a number equal to the number of shares of Common Stock as they would have received if all outstanding shares of Series A Preferred Stock had been converted into Common Stock on the date of such event.

3.3.6. Adjustments for Other Dividends and Distributions. In the event the Corporation at any time or from time to time after the Series A Preferred Original Issue Date shall make or issue, or fix a record date for the determination of holders of Common Stock entitled to receive, a dividend or other distribution payable in securities of the Corporation (other than a distribution of shares of Common Stock in respect of outstanding shares of Common Stock) or in other property, then and in each such event the holders of Series A Preferred Stock shall receive, simultaneously with the distribution to the holders of Common Stock, a dividend or other distribution of such securities or other property in an amount equal to the amount of such securities or other property as they would have received if all outstanding shares of Series A Preferred Stock had been converted into Common Stock on the date of such event.

3.3.7. Adjustment for Merger or Reorganization, etc. If there shall occur any reorganization, recapitalization, reclassification, consolidation or merger involving the Corporation in which the Common Stock (but not the Series A Preferred Stock) is converted into or exchanged for securities, cash or other property (other than a transaction covered by Subsections 3.3.5 or 3.3.6), then, following any such reorganization, recapitalization, reclassification, consolidation or merger, each share of Series A Preferred Stock shall thereafter be convertible in lieu of the Common Stock into which it was convertible prior to such event into the kind and amount of securities, cash or other property which a holder of the number of shares of Common Stock of the Corporation issuable upon conversion of one share of Series A Preferred Stock immediately prior to such reorganization, recapitalization, reclassification, consolidation or merger would have been entitled to receive pursuant to such transaction; and, in such case, appropriate adjustment (as determined in good faith by the Board of Directors of the Corporation) shall be made in the application of the provisions in this Section 3.3 with respect to the rights and interests thereafter of the holders of the Series A Preferred Stock, to the end that the provisions set forth in this Section 3.3 (including provisions with respect to changes in and other adjustments of the Series A Preferred Conversion Price) shall thereafter be applicable, as nearly as reasonably may be, in relation to any securities or other property thereafter deliverable upon the conversion of the Series A Preferred Stock. For the avoidance of doubt, nothing in this Subsection 3.3.7 shall be construed as preventing the holders of Series A Preferred Stock from seeking any appraisal rights to which they are otherwise entitled under the FBCA in connection with a merger triggering an adjustment hereunder, nor shall this Subsection 3.3.7 be deemed

conclusive evidence of the fair value of the shares of Series A Preferred Stock in any such appraisal proceeding.

3.3.8. Certificate as to Adjustments. Upon the occurrence of each adjustment or readjustment of the Series A Preferred Conversion Price pursuant to this Section 3.3, the Corporation at its expense shall, as promptly as reasonably practicable but in any event not later than 10 days thereafter, compute such adjustment or readjustment in accordance with the terms hereof and furnish to each holder of Series A Preferred Stock a certificate setting forth such adjustment or readjustment (including the kind and amount of securities, cash or other property into which the Series A Preferred Stock is convertible) and showing in detail the facts upon which such adjustment or readjustment is based. The Corporation shall, as promptly as reasonably practicable after the written request at any time of any holder of Series A Preferred Stock (but in any event not later than 10 days thereafter), furnish or cause to be furnished to such holder a certificate setting forth (i) the Series A Preferred Conversion Price then in effect, and (ii) the number of shares of Common Stock and the amount, if any, of other securities, cash or property which then would be received upon the conversion of Series A Preferred Stock.

3.3.9. Notice of Record Date. In the event:

(i) the Corporation shall take a record of the holders of its Common Stock (or other capital stock or securities at the time issuable upon conversion of the Series A Preferred Stock) for the purpose of entitling or enabling them to receive any dividend or other distribution, or to receive any right to subscribe for or purchase any shares of capital stock of any class or any other securities, or to receive any other security; or

(ii) of any capital reorganization of the Corporation, or any reclassification of the Common Stock of the Corporation; or

(iii) of the voluntary or involuntary dissolution, liquidation or winding-up of the Corporation.

then, and in each such case, the Corporation will send or cause to be sent to the holders of the Series A Preferred Stock a notice specifying, as the case may be, (i) the record date for such dividend, distribution or right, and the amount and character of such dividend, distribution or right, or (ii) the effective date on which such reorganization, reclassification, consolidation, merger, transfer, dissolution, liquidation or winding-up is proposed to take place, and the time, if any is to be fixed, as of which the holders of record of Common Stock (or such other capital stock or securities at the time issuable upon the conversion of the Series A Preferred Stock) shall be entitled to exchange their shares of Common Stock (or such other capital stock or securities) for securities or other property deliverable upon such reorganization, reclassification, consolidation, merger, transfer, dissolution, liquidation or winding-up, and the amount per share and character of such exchange applicable to the Series A Preferred Stock and the Common Stock. Such notice shall be sent at least 10 days prior to the record date or effective date for the event specified in such notice.

### 3.4 Mandatory Conversion.

3.4.1. Trigger Events. Upon the closing of the sale of shares of Common Stock to the public in a firm commitment underwritten public offering of the Company's securities on The NASDAQ Stock Market or equivalent stock exchange reflecting a pre-money valuation of the Company of at least \$75,000,000 and with gross proceeds of at least \$25,000,000 to the Company or any other transaction that results in the Company having its shares eligible for listing on The NASDAQ Stock Market or an equivalent stock exchange (the time of such closing is referred to herein as the "**Mandatory Conversion Time**"). (i) all outstanding shares of Series A Preferred Stock shall automatically be converted into shares of Common Stock, at the then effective conversion rate and (ii) such shares may not be reissued by the Corporation.

3.4.2. Procedural Requirements. All holders of record of shares of Series A Preferred Stock shall be sent written notice of the Mandatory Conversion Time and the place designated for mandatory conversion of all such shares of Series A Preferred Stock pursuant to this Section 3.4. Such notice need not be sent in advance of the occurrence of the Mandatory Conversion Time. Upon receipt of such notice, each holder of shares of Series A Preferred Stock shall surrender his, her or its certificate or certificates for all such shares (or, if such holder alleges that such certificate has been lost, stolen or destroyed, a lost certificate affidavit and agreement reasonably acceptable to the Corporation to indemnify the Corporation against any claim that may be made against the Corporation on account of the alleged loss, theft or destruction of such certificate) to the Corporation at the place designated in such notice. If so required by the Corporation, certificates surrendered for conversion shall be endorsed or accompanied by written instrument or instruments of transfer, in form satisfactory to the Corporation, duly executed by the registered holder or by his, her or its attorney duly authorized in writing. All rights with respect to the Series A Preferred Stock converted pursuant to Subsection 3.4.1, including the rights, if any, to receive notices and vote (other than as a holder of Common Stock), will terminate at the Mandatory Conversion Time (notwithstanding the failure of the holder or holders thereof to surrender the certificates at or prior to such time), except only the rights of the holders thereof, upon surrender of their certificate or certificates (or lost certificate affidavit and agreement) therefor, to receive the items provided for in the next sentence of this Subsection 3.4.2. As soon as practicable after the Mandatory Conversion Time and the surrender of the certificate or certificates (or lost certificate affidavit and agreement) for Series A Preferred Stock, the Corporation shall issue and deliver to such holder, or to his, her or its nominees, a certificate or certificates for the number of full shares of Common Stock issuable on such conversion in accordance with the provisions hereof, together with cash as provided in Subsection 3.3.2 in lieu of any fraction of a share of Common Stock otherwise issuable upon such conversion and the payment of any declared but unpaid dividends on the shares of Series A Preferred Stock converted. Such converted Series A Preferred Stock shall be retired and cancelled and may not be reissued as shares of such series, and the Corporation may thereafter take such appropriate action (without the need for shareholder action) as may be necessary to reduce the authorized number of shares of Series A Preferred Stock accordingly.

3.5 Acquired Shares. Any shares of Series A Preferred Stock that are acquired by the Corporation or any of its subsidiaries shall be automatically and immediately

cancelled and retired and shall not be reissued, sold or transferred. Neither the Corporation nor any of its subsidiaries may exercise any voting or other rights granted to the holders of Series A Preferred Stock following acquisition.

3.6 Waiver. Any of the rights, powers, preferences and other terms of the Series A Preferred Stock set forth herein may be waived on behalf of all holders of Series A Preferred Stock by the affirmative written consent or vote of the holders of at least a majority of the shares of Series A Preferred Stock then outstanding.

3.7 Notices. Any notice required or permitted by the provisions of this Article Fourth to be given to a holder of shares of Series A Preferred Stock shall be mailed, postage prepaid, to the post office address last shown on the records of the Corporation, or given by electronic communication in compliance with the provisions of the General Corporation Law, and shall be deemed sent upon such mailing or electronic transmission.

#### **ARTICLE V**

##### **PERPETUAL EXISTENCE**

The Corporation is to have perpetual existence.

#### **ARTICLE VI**

##### **LIMITATION ON LIABILITY; INDEMNIFICATION**

To the fullest extent permitted by the FBCA, no director of the Corporation shall be personally liable to the Corporation or its shareholders for monetary damages for breach of fiduciary duty as a director, except for liability (i) for any breach of the director's duty of loyalty to the Corporation or its shareholders; (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law; (iii) under Section 607.0834 of the FBCA; or (iv) for any transaction from which the director derived an improper personal benefit. If the FBCA is amended after the effective date of this Articles of Incorporation to authorize corporate action further eliminating or limiting the personal liability of directors, then the liability of a director of the Corporation shall be eliminated or limited to the fullest extent permitted by the FBCA, as so amended.

The Corporation shall, to the fullest extent permitted by the provisions of Section 607.0850 of the FBCA, indemnify each person who it shall have power to indemnify under said section from and against any and all of the expenses, liabilities or other matters referred to in or covered by said section. The indemnification provided for herein shall not be deemed exclusive of any other rights to which each such indemnified person may be entitled under any bylaw, agreement, vote of shareholders or disinterested directors or otherwise, both as to action in such indemnified person's official capacity and as to action in another capacity while serving as a director, officer, employee or agent of the Corporation, and shall continue as to a person who has ceased to be a director, officer, employee or agent of the Corporation, and shall inure to the benefit of the heirs, executors and administrators of such person.

Any (i) repeal or amendment of this Article VI by the shareholders of the Corporation or (ii) amendment to the FBCA shall not adversely affect any right or protection existing at the time of such repeal or amendment with respect to any acts or omissions occurring before such repeal or amendment of a person serving as a director, officer, employee or agent of the Corporation or otherwise enjoying the benefits of this Article VI at the time of such repeal or amendment.

## **ARTICLE VII**

### **AMENDMENTS**

Subject to the written consent or affirmative vote of the holders of at least seventy-eight percent (78%) of the outstanding shares of Series A Preferred Stock given in writing or by vote at a meeting, consenting or voting (as the case may be) separately as a class, and any such act or transaction entered into without such consent or vote shall be null and void *ab initio*, and of no force or effect, the Corporation may amend, alter or repeal any provisions contained in this Articles of Incorporation from time to time and at any time in the manner now or hereafter prescribed in this Articles of Incorporation and by the laws of the State of Florida.

## **ARTICLE VIII**

### **MISCELLANEOUS**

In furtherance and not in limitation of the powers conferred by the laws of the State of Florida:

A. The Board of Directors of the Corporation is expressly authorized to adopt, amend or repeal the Bylaws of the Corporation.

B. Elections of directors need not be by written ballot unless the Bylaws of the Corporation shall so provide.

C. The books of the Corporation may be kept at such place within or without the State of Florida as the Bylaws of the Corporation may provide or as may be designated from time to time by the Board of Directors of the Corporation.

D. Meetings of the shareholders may be held within or without the State of Florida, as the Bylaws may provide.

## **ARTICLE IX**

### **COMPROMISES OR ARRANGEMENTS**

### **WITH CREDITORS AND SHAREHOLDERS**

Whenever a compromise or arrangement is proposed between the Corporation and its creditors or any class of them and/or between the Corporation and its shareholders or any class of them, any court of equitable jurisdiction within the State of Florida may, on the application in a summary way of the Corporation or of any creditor or shareholder thereof or on the application of any trustee or trustees or of any receiver or receivers appointed for the Corporation, order a meeting of the creditors or class of creditors, and/or of the shareholders or class of shareholder of the Corporation, as the case may be, to be summoned in such manner as the said court directs. If
