Re: Incorporation of Soring Medical Technology, Inc.

Dear Mr. Burch:

We are sending you this letter in connection with Letter Number 100726132558-000183544310 and the incorporation of Soring Medical Technology.

You advised our attorneys that the incorporation of Soring Medical Technology, Inc. was being held up by virtue of the similarity in the name "Soring Medical Technology, Inc." and "Soring Medical Technology LLC". You stated that this problem could be remedied if the Department of Corporation were to receive a letter from the principals of both companies, advising that (a) the two Soring entities were owned or controlled by the same individuals/entities, and (b) that there would be no objection to permitting the incorporation of Soring Medical Technology, Inc.

We are sending you this letter to confirm that this is precisely the situation: Soring Medical Technology, Inc. and Soring Medical Technology LLC are in fact controlled by the same principals. The member below is placing his signature on this letter to confirm that he has no objection to the incorporation of Soring Medical Technology, Inc. Please note that Soring Medical Technology, LLC will soon be dissolved, leaving Soring Medical Technology, Inc. as the sole entity to do business under the Soring name.

Accordingly, please accept this letter as an authorization to permit the incorporation of Soring Medical Technology, Inc. without further delay.

Thank you for your attention.

Very truly yours,

Carlos Rodriguez
