Dear Madam or Sir

I received an email purportedly from you advising that our corporation was to be dissolved. I believed that we did not have to pay the one hundred fifty dollars (\$150.00) until after the first year a corporation existed and I never received any notification that it was otherwise. Our corporation will turn one in late August this year. Was this SPAM or is your policy different than what I had been told?

Please advise as soon as possible.

Thank you.
