FILED STATE
SECRETARY OF CORPORATIONS
DIVISION OF CORPORATIONS
16 OCT 10 PM 3:08

(i) In the event of any liquidation, dissolution or winding up of the affairs of the Corporation, whether voluntary or involuntary, before any distribution or payment shall be made to the holders of any other capital stock of the Corporation, the holders of Series A Preferred Stock shall be entitled to be paid first out of the assets of the Corporation available for distribution to holders of the Corporation's capital stock an amount (the "Series A Liquidation Amount") equal to the *greater* of (A) \$2,461.54 per share of Series A Preferred Stock (which amount shall be subject to equitable adjustment whenever there shall occur a stock dividend, stock split, combination or subdivision of shares, reclassification or other similar event with respect to the Series A Preferred Stock), plus the Minimum Returns and all dividends accrued or declared thereon but unpaid (if any), to and including the date full payment shall be tendered to the holders of the Series A Preferred Stock with respect to such liquidation, dissolution or winding up *and* (B) the amount such holder would have received if, prior to such liquidation, dissolution or winding up, such holder had converted all of its shares of Preferred Stock into shares of Common Stock.

If the assets of the Corporation shall be insufficient to permit the payment in full to the holders of the Series A Preferred Stock of all amounts distributable to them under this Subsection 1(a)(i), then the entire assets of the Corporation available for such distribution shall be distributed ratably among the holders of the Series A Preferred Stock in proportion to the full preferential amount each such holder is otherwise entitled to receive under this Subsection 1(a)(i).

No payment shall be made with respect to the Common Stock unless and until full payment has been made to the holders of the Series A Preferred Stock of the amounts that they are entitled to receive under this Subsection 1(a)(i).

(ii) After the payments described in Subsection 1(a)(i) shall have been made in full to the holders of the Series A Preferred Stock, or funds necessary for such payments shall have been set aside by the Corporation in trust for the account of holders of Series A Preferred Stock so as to be available for such payments then the remaining assets available for distribution shall be distributed exclusively among the holders of Common Stock ratably in proportion to the number of shares of Common Stock then held by them, subject to Subsection 1(e).

(b) Distributions Other than Cash. Whenever the distributions provided for in this Section 1 shall be payable in property other than cash, the value of such distributions shall be the fair market value of such property as determined in good faith by the Board of Directors of the Corporation. The Corporation shall give prompt written notice of such valuation to each holder of Preferred Stock. Any securities shall be valued as follows:

(i) If traded on a securities exchange or through the NASDAQ National Market, the value shall be deemed to be the average of the closing prices of the securities on such quotation system over the thirty (30) day period ending three (3) days prior to the distribution;

(ii) If actively traded over-the-counter, the value shall be deemed to be the average of the closing bid prices over the thirty (30) day period ending three (3) days prior to the distribution;

(iii) If there is no active public market for such securities, then the value shall be the fair market value, thereof, as determined in good faith by the Board of Directors; and

(iv) The method of valuation of securities subject to an investment letter or other restrictions on free marketability (other than restrictions arising solely by virtue of a stockholder's status as an affiliate or former affiliate) shall be made with an appropriate discount from the market value determined as above to reflect the approximate fair market value thereof, as determined in good faith by the Board of Directors.

(c) Merger as Liquidation, etc. The merger or consolidation of the Corporation into or with another corporation (except one in which the holders of capital stock of the Corporation immediately prior to such merger or consolidation continue to hold at least fifty percent (50%) in voting power of the capital stock of the surviving corporation, in which case the provisions of Subsection 2(f) shall apply), the closing of any transaction, or series of transactions, in which more than fifty percent (50%) of the voting power of the Corporation is sold to another corporation or entity, or the sale, lease, exchange or other disposition of all, or substantially all, of the assets of the Corporation (any of the foregoing events, a "Liquidity Event"), shall be deemed to be a liquidation, dissolution or winding up of the affairs of the Corporation for purposes of this Section 1, unless the holders of at least sixty-six and two-thirds percent (66-2/3%) of the then issued and outstanding shares of Series A Preferred Stock elect to the contrary, such election to be made by giving written notice thereof to the Corporation at least five (5) days before the effective date of such event. If such notice is given with respect to the Series A Preferred Stock, the provisions of Subsection 2(f) shall apply to such Series A Preferred Stock. Unless such election is made by the requisite holders of Series A Preferred Stock, any amounts received by the holders of Series A Preferred Stock as a result of such Liquidity Event shall be deemed to be applied toward, and all consideration received by the Corporation in such Liquidity Event together with all other available assets of the Corporation shall be distributed toward, the Series A Liquidation Amount in the order of preference set forth in Subsection 1(a).

(d) Notice. Notice of any proposed liquidation, dissolution or winding up of the affairs of the Corporation (including any merger, consolidation, sale of capital stock, or sale, lease, exchange or other disposition of assets which may be deemed to be a liquidation, dissolution or winding up of the affairs of the Corporation under Subsection 1(c)), stating a payment date, the amount of the Series A Liquidation Amount and the place where said Series A Liquidation Amount shall be payable, shall be given to the holders of record of the Series A Preferred Stock not less than thirty (30) days prior to the payment date stated therein. Any holder of outstanding shares of Series A Preferred Stock may waive notice required by this Subsection by a written document specifically indicating such waiver.

(e) Conversion of Series A Preferred Stock. Upon conversion of shares of Series A Preferred Stock into shares of Common Stock pursuant to Section 2 below, the holders of such Common Stock shall share ratably in any distribution of the assets of the Corporation to the holders of Common Stock pursuant to Subsection 1(a)(ii).

Section 2. Conversion. The holders of Series A Preferred Stock shall have conversion rights as follows (the "Conversion Rights"):

(a) Right to Convert; Conversion Price. Each share of Series A Preferred Stock shall

be convertible, without the payment of any additional consideration by the holder thereof and at the option of the holder thereof, at any time into such number of shares of fully paid and nonassessable shares of Common Stock as described below ("Voluntary Conversion"). In addition, after the earlier of (i) (A) any transaction described in Section 3(a)(vii) below, (B) any transaction described in Section 3(a)(viii) below, (C) any acquisition by any person (or group of affiliated or associated persons) of beneficial ownership of a majority of the equity of the Corporation in a single transaction or a series of related transactions, (D) a Qualified Public Offering or (E) any other change of control of fifty percent (50%) or more of the voting power of the Corporation (collectively, the "Major Capital Transaction") or (ii) the date eight years from the date of issuance of such share, at the principal executive office of the Corporation or any transfer agent for the Series A Preferred Stock, each share of Series A Preferred Stock shall be mandatorily converted, without the payment of any additional consideration by the holder thereof, into such number of fully paid and nonassessable shares of Common Stock described below ("Mandatory Conversion"). Upon a Voluntary Conversion or a Mandatory Conversion each share of Series A Preferred Stock shall be converted into fully paid and nonassessable shares of Common Stock as is determined by dividing \$2,461.54 by the Series A Conversion Price, determined as hereinafter provided, in effect at the time of conversion. The conversion price at which shares of Common Stock shall be deliverable upon conversion of Series A Preferred Stock without the payment of any additional consideration by the holder thereof (the "Series A Conversion Price") shall initially be \$2,461.54 per share of Common Stock, plus the amount of all accrued and unpaid dividends on such share. Such initial Series A Conversion Price shall be subject to adjustment, in order to adjust the number of shares of Common Stock into which the Series A Preferred Stock is convertible, as hereinafter provided. All references to the Series A Conversion Price herein shall mean the Series A Conversion Price as so adjusted. The term "Qualified Public Offering" means the effectiveness of a registration statement for the sale of the Corporation's shares of Common Stock in a firm commitment underwritten public offering registered under the Securities Act of 1933 that results in gross proceeds to the Corporation of not less than \$10,000,000 at a price per share of not less than \$5.00.

(b) Mechanics of Conversion. Before any holder of Series A Preferred Stock shall be entitled to voluntarily convert the same into shares of Common Stock, the holder shall surrender the certificate or certificates therefor at the office of the Corporation or of any transfer agent for the Series A Preferred Stock, and shall give written notice to the Corporation at such office that the holder elects to convert the same and shall state therein the holder's name or the name or names of the holder's nominees in which the holder wishes the certificate or certificates for shares of Common Stock to be issued. On the date of conversion, all rights with respect to the Series A Preferred Stock shall terminate, except any of the rights of the holders thereof, upon surrender of their certificate or certificates therefor, to receive certificates for the number of shares of Common Stock into which such Series A Preferred Stock has been converted and cash in an amount, equal to all dividends declared but unpaid on, and any and all other amounts owing with respect to, the shares of Series A Preferred Stock being converted to and including the time of conversion. If so required by the Corporation, certificates surrendered for conversion shall be endorsed or accompanied by written instrument or instruments of transfer, in form satisfactory to the Corporation, duly executed by the registered holder or by the holder's attorney duly authorized in writing. No fractional share of Common Stock shall be issued upon optional conversion of any Series A Preferred Stock. In lieu of any fractional share to which the holder would otherwise be entitled, the Corporation shall pay cash equal to such fraction multiplied by the then current fair market value of one share of Common Stock, as determined in good faith by the Corporation's Board of Directors. The Corporation shall, as soon as practicable (but in no event later than five (5) business days) after surrender of the certificate or certificates for conversion, issue and deliver at such

office to such holder of Series A Preferred Stock, or to the holder's nominee or nominees, a certificate or certificates for the number of shares of Common Stock to which the holder shall be entitled as aforesaid, together with cash in lieu of any fraction of a share and cash in an amount equal to all dividends declared but unpaid thereon and any and all other amounts owing with respect thereto at such time. Such conversion shall be deemed to have been made immediately prior to the close of business on the date of such surrender of the shares of Series A Preferred Stock to be converted, and the person or persons entitled to receive the shares of Common Stock issuable upon conversion shall be treated for all purposes as the record holder or holders of such shares of Common Stock on such date.

(c) Adjustments to Series A Conversion Price for Diluting Issues.

(i) Special Definitions. For purposes of this Subsection 2(c), the following definitions shall apply:

(1) "Option" shall mean rights, options or warrants to subscribe for, purchase or otherwise acquire either Common Stock or Convertible Securities.

(2) "Original Issue Date" shall mean the first date on which a share of Series A Preferred Stock was issued.

(3) "Convertible Securities" shall mean any evidences of indebtedness, shares of capital stock (other than Common Stock) or other securities directly or indirectly convertible into or exchangeable for Common Stock.

(4) "Additional Shares of Common Stock" shall mean all shares of Common Stock issued (or, pursuant to Subsection 2(c)(iii), deemed to be issued) by the Corporation after the Original Issue Date, other than:

(A) all shares of Common Stock issuable upon conversion of, or as a dividend or distribution upon, shares of Series A Preferred Stock;

(B) up to 140,000 shares of Common Stock issued or issuable (including Convertible Securities) to employees, consultants, directors and officers of the Corporation in accordance with plans or agreements that are approved by the Corporation's Board of Directors; notwithstanding the foregoing, any shares of Common Stock issued or deemed to be issued primarily for equity financing purposes shall be Additional Shares of Common Stock; and

(C) for which adjustment to the Series A Conversion Price is made pursuant to Subsection 2(c)(vi).

(ii) No Adjustment of Series A Conversion Price. Except as set forth in Subsection 2(c)(vi), no adjustment in the number of shares of Common Stock into which each share of Series A Preferred Stock is convertible shall be made, by adjustment of the Series A Conversion Price, in respect of the issuance of Additional Shares of Common Stock unless the consideration per share for an Additional Share of Common Stock (determined pursuant to Subsection 2(c)(v)) issued or deemed to be issued by the Corporation is less than the applicable Series A Conversion Price in effect on the date of, and immediately prior to, the issue of such

Additional Share of Common Stock.

(iii) Deemed Issue of Additional Shares of Common Stock.

(l) Options and Convertible Securities. In the event the Corporation at any time or from time to time after the Original Issue Date shall issue any Options or Convertible Securities or shall fix a record date for the determination of holders of any class of securities entitled to receive any such Options or Convertible Securities, then the maximum number of shares (as set forth in the instrument relating thereto without regard to any provisions contained therein for a subsequent adjustment of such number) of Common Stock issuable upon the exercise of such Options or, in the case of Convertible Securities and Options therefor, the conversion or exchange of such Convertible Securities, shall be deemed to be Additional Shares of Common Stock issued as of the time of such issue or, in case such a record date shall have been fixed, as of the close of business on such record date; provided, that in any such case in which Additional Shares of Common Stock are deemed to be issued:

(A) no further adjustment in the Series A Conversion Price shall be made upon the subsequent issue of Convertible Securities or shares of Common Stock upon the exercise of such Options or conversion or exchange of such Convertible Securities;

(B) if such Options or Convertible Securities by their terms provide, with the passage of time or otherwise, for any increase in the consideration payable to the Corporation, or decrease in the number of shares of Common Stock issuable, upon the exercise, conversion or exchange thereof, then the Series A Conversion Price as adjusted upon the original issue thereof (or upon the occurrence of a record date with respect thereto), and any subsequent adjustments based thereon, shall, upon any such increase or decrease becoming effective, be readjusted to reflect such increase or decrease insofar as it affects such Options or the rights of conversion or exchange under such Convertible Securities;

(C) if such Options or Convertible Securities by their terms provide, with the passage of time or otherwise, for any decrease in the consideration payable to the Corporation, or increase in the number of shares of Common Stock issuable, upon the exercise, conversion or exchange thereof, the Series A Conversion Price as adjusted upon the original issue thereof (or upon the occurrence of a record date with respect thereto), and any subsequent adjustments based thereon, shall, upon any such decrease or increase becoming effective, be readjusted to reflect such decrease or increase insofar as it affects such Options or the rights of conversion or exchange under such Convertible Securities;

(D) upon the expiration of any such Options or any rights of conversion or exchange under such Convertible Securities which shall not have been exercised, the Series A Conversion Price as adjusted upon the original issue thereof (or upon the occurrence of a record date with respect thereto), and any subsequent adjustments based thereon, shall, upon such expiration, be readjusted as if:

(l) in the case of Convertible Securities or Options for Common Stock the only Additional Shares of Common Stock issued were the shares of Common Stock, if any, actually issued upon the exercise of such Options or the conversion or exchange of such Convertible Securities and the consideration received therefor was the consideration actually received by the Corporation for the issue of all such Options, whether or not exercised, plus the consideration actually received by the Corporation upon such exercise, or for the issue

of all such Convertible Securities which were actually converted or exchanged, plus the additional consideration, if any, actually received by the Corporation upon such conversion or exchange; and in the case of Options for Convertible Securities, only the Convertible Securities, if any, actually issued upon the exercise thereof were issued at the time of issue of such Options, and the consideration received by the Corporation for the Additional Shares of Common Stock deemed to have been then issued was the consideration actually received by the Corporation for the issue of all such Options, whether or not exercised, plus the consideration deemed to have been received by the Corporation (determined pursuant to Subsection 2(c)(v)) upon the issue of the Convertible Securities with respect to which such Options were actually exercised;

(E) no readjustment pursuant to clauses (B), (C) or (D) above shall have the effect of increasing the Series A Conversion Price to an amount which exceeds the lower of (i) the Series A Conversion Price in effect immediately prior to the original adjustment date, or (ii) the Series A Conversion Price that would have resulted from any issuance of Additional Shares of Common Stock between the original adjustment date and such readjustment date; and

(F) if such record date shall have been fixed and such Options or Convertible Securities are not issued on the date fixed therefor, the adjustment previously made in the Series A Conversion Price which became effective on such record date shall be cancelled as of the close of business on such record date, and thereafter the Series A Conversion Price shall be adjusted pursuant to this Subsection 2(c)(iii) as of the actual date of their issuance.

(2) Stock Dividends Stock Distributions and Subdivisions. In the event the Corporation at any time or from time to time after the Original Issue Date shall declare or pay any dividend or make any other distribution on the Common Stock payable in Common Stock or effect a subdivision of the outstanding shares of Common Stock (by reclassification or otherwise than by payment of a dividend in Common Stock), then and in any such event, Additional Shares of Common Stock shall be deemed to have been issued with respect to the Series A Preferred Stock:

(A) in the case of any such dividend or distribution, immediately after the close of business on the record date for the determination of holders of any class of securities entitled to receive such dividend or distribution; or

(B) in the case of any such subdivision, at the close of business on the date immediately prior to the date upon which such corporate action becomes effective.

If such record dates shall have been fixed and no part of such dividend or distribution shall have been paid on the date fixed therefor, the adjustment previously made in the Series A Conversion Price which became effective on such record date shall be cancelled as of the close of business on such record date, and thereafter the Series A Conversion Price shall be adjusted pursuant to this Subsection 2(c)(iii) as of the time of actual payment of such dividend or distribution.

(iv) Adjustment of Series A Conversion Price Upon Issuance of Additional Shares of Common Stock. In the event that at any time or from time to time after the Original Issue Date, the Corporation shall issue Additional Shares of Common Stock (including, without limitation, Additional Shares of Common Stock deemed to be issued pursuant to Subsection 2(c)(iii)(1) but excluding Additional Shares of Common Stock deemed to be issued pursuant to Subsection 2(c)(iii)(2), which event is dealt with in Subsection 2(c)(vi)(1)), without consideration or for a consideration per share less than the Series A Conversion Price in effect on the date of

and immediately prior to such issue, then and in such event, the then-existing Series A Conversion Price shall be reduced, concurrently with such issue, to a price determined in accordance with the following formula:

$$\text{NCP} = \frac{(P_1 * Q_1) + AC}{Q_1 + Q_2}$$

where:

NCP = New Series A Conversion Price.

P₁ = Series A Conversion Price in effect immediately prior to new issue.

Q₁ = Number of shares of Common Stock outstanding, or deemed to be outstanding as set forth below immediately prior to such issue.

AC = The aggregate consideration received by the Corporation for the shares of Common Stock issued or deemed to have been issued in the subject transaction.

Q₂ = Number of shares of Common Stock issued, or deemed to have been issued, in the subject transaction.

provided, that for the purpose of this Subsection 2(c)(iv), all shares of Common Stock issuable upon conversion of shares of Series A Preferred Stock outstanding immediately prior to such issue shall be deemed to be outstanding, and immediately after any Additional Shares of Common Stock are deemed issued pursuant to Subsection 2(c)(iii), such Additional Shares of Common Stock shall be deemed to be outstanding.

(v) Determination of Consideration. For purposes of this Subsection 2(c), the consideration received by the Corporation for the issue of any Additional Shares of Common Stock shall be computed as follows:

(1) Cash and Property: Such consideration shall:

(A) insofar as it consists of cash, be computed at the aggregate amounts of cash received by the Corporation excluding amounts paid or payable for accrued interest or accrued dividends;

(B) insofar as it consists of property other than cash, be computed at the fair value thereof at the time of such issue, as determined in good faith by the Corporation's Board of Directors; and

(C) in the event Additional Shares of Common Stock are issued together with other shares or securities or other assets of the Corporation for consideration which covers both, be the proportion of such consideration so received, computed as provided in clauses (A) and (B) above, as determined in good faith by the Corporation's Board of Directors.

(2) Options and Convertible Securities. The consideration per share received by the Corporation for Additional Shares of Common Stock deemed to have been issued pursuant to Subsection 2(c)(iii)(1), relating to Options and Convertible Securities, shall be

determined by dividing (x) the total amount, if any, received or receivable by the Corporation as consideration for the issue of such Options or Convertible Securities, plus the minimum aggregate amount of additional consideration (as set forth in the instruments relating thereto, without regard to any provision contained therein for, a subsequent adjustment of such consideration) payable to the Corporation upon the exercise of such Options or the conversion or exchange of such Convertible Securities, or in the case of Options for Convertible Securities, the exercise of such Options for Convertible Securities and the conversion or exchange of such Convertible Securities, by (y) the maximum number of shares of Common Stock (as set forth in the instruments relating thereto, without regard to any provision contained therein for a subsequent adjustment of such number) issuable upon the exercise of such Options or the conversion or exchange of such Convertible Securities.

(vi) Adjustment for Dividends, Distributions, Subdivisions, Combinations or Consolidations of Common Stock.

(1) Stock Dividends, Distributions or Subdivisions. In the event the Corporation shall be deemed to issue Additional Shares of Common Stock pursuant to Subsection 2(c)(iii)(2) in a stock dividend, stock distribution or subdivision, than the Series A Conversion Price in effect immediately before such deemed issuance shall, concurrently with the effectiveness of such deemed issuance, be proportionately decreased.

(2) Combinations or Consolidations. In the event the outstanding shares of Common Stock shall be combined or consolidated, by reclassification or otherwise, into a lesser number of shares of Common Stock, the Series A Conversion Price in effect immediately prior to such combination or consolidation shall, concurrently with the effectiveness of such combination or consolidation, be proportionately increased.

(d) Adjustments for Certain Dividends and Distributions. In the event that at anytime or from time to time after the Original Issue Date the Corporation shall make or issue, or fix a record date for the determination of holders of Common Stock entitled to receive, a dividend or other distribution payable in assets or in securities of the Corporation other than shares of Common Stock, and other than as otherwise adjusted in this Section 2, then and in each such event provision shall be made so that the holders of the Series A Preferred Stock shall receive upon conversion thereof in addition to the number of shares of Common Stock receivable thereupon, the amount of assets or securities of the Corporation that they would have received had their Series A Preferred Stock been converted into Common Stock on the date of such event and had they thereafter, during the period from the date of such event to and including the conversion date, retained such assets or securities receivable by them as aforesaid during such period, giving application during such period to all adjustments called for herein.

(e) Adjustment for Reclassification, Exchange, or Substitution. In the event that at any time or from time to time after the Original Issue Date, the Common Stock issuable upon the conversion of the Series A Preferred Stock shall be changed into the same or a different number of shares of any class or series of stock or other securities or property, whether by capital reorganization, reclassification, or otherwise (other than a subdivision or combination of shares or stock dividend provided for above, or a merger, consolidation, or sale of assets provided for below), then and in each such event the holder of Series A Preferred Stock shall have the right thereafter to convert such shares into the kind and amount of shares of stock and other securities and property

receivable upon such reorganization, reclassification, or other change, by the holder of a number of shares of Common Stock equal to the number of shares of Common Stock into which such shares of Series A Preferred Stock might have been converted immediately prior to such reorganization, reclassification, or change, all subject to further adjustment as provided herein.

(f) Adjustment for Merger Consolidation or Sale of Assets. In the event that at any time or from time to time after the Original Issue Date, the Corporation shall merge or consolidate with or into another entity, or sell, lease, exchange or otherwise dispose of all or substantially all of its assets (other than a consolidation, merger or sale which is treated as a liquidation with respect to the Series A Preferred Stock pursuant to Subsection 1(c)), each share of Series A Preferred Stock shall thereafter be convertible into the kind and amount of shares of stock or other securities or property to which a holder of the number of shares of Common Stock of the Corporation deliverable upon conversion of such shares of Series A Preferred Stock would have been entitled to receive upon such consolidation, merger or sale; and, in such case, appropriate adjustment (as determined in good faith by the Corporation's Board of Directors) shall be made in the application of the provisions set forth in this Section 2 with respect to the rights and interest thereafter of the holders of such Series A Preferred Stock, to the end that the provisions set forth in this Section 2 (including provisions with respect to changes in and other adjustments of the Series A Conversion Price) shall thereafter be applicable, as nearly as reasonably may be, in relation to any shares of stock or other securities or property thereafter deliverable upon the conversion of such Series A Preferred Stock.

(g) No Impairment. The Corporation shall not, by amendment of its Articles of Incorporation or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms to be observed or performed hereunder by the Corporation but shall at all times in good faith assist in the carrying out of all the provisions of this Section 2 and in the taking of all such action as may be necessary or appropriate in order to protect the Conversion Rights of the holders of the Series A Preferred Stock against impairment.

(h) Certificate as to Adjustments. Upon the occurrence of each adjustment or readjustment of the Series A Conversion Price pursuant to this Section 2, the Corporation at its expense shall promptly compute such adjustment or readjustment in accordance with the terms hereof and mail to each affected holder of Series A Preferred Stock, by first class mail, postage prepaid, a certificate setting forth such adjustment or readjustment and showing in detail the facts upon which such adjustment or readjustment is based. The certificate shall set forth (i) such adjustments and readjustments, (ii) the Series A Conversion Price at the time in effect, and (iii) the number of shares of Common Stock and the amount, if any, of other property which at the time would be received upon the conversion of each share of Series A Preferred Stock.

(i) Notices of Record Date. In the event that the Corporation shall propose at any time: (i) to declare any dividend or distribution upon its Common Stock, whether in cash, property, stock or other securities, whether or not a regular cash dividend and whether or not out of earnings or earned surplus; (ii) to offer for subscription pro rata to the holders of any class or series of its stock any additional shares of stock of any class or series or other rights; (iii) to effect any reclassification or recapitalization of its Common Stock outstanding involving a change in the Common Stock; or (iv) to merge or consolidate with or into any other corporation, or sell, lease or convey all or substantially all of its assets, or to liquidate, dissolve or wind up; then, in connection with each such event, the Corporation shall send to the holders of Preferred Stock:

(A) at least twenty (20) days' prior written notice of the date on which a record shall be taken for such dividend, distribution or subscription rights (and specifying the date on which the holders of Common Stock shall be entitled thereto) or for determining rights to vote, if any, in respect of the matters referred to in (i) and (ii) above; and

(B) in the case of the matters referred to in (iii) and (iv) above, at least twenty (20) days' prior written notice of the date when the same shall take place (and specifying the date on which the holders of Common Stock shall be entitled to exchange their Common Stock for securities or other property deliverable upon the occurrence of such event).

(j) Common Stock Reserved. The Corporation shall at all times reserve and keep available out of its authorized but unissued Common Stock, solely for the purpose of effecting the conversion of the shares of Series A Preferred Stock, such number of shares of Common Stock as shall from time to time be sufficient to effect the conversion of all outstanding shares of the Series A Preferred Stock. If at any time the number of authorized but unissued shares of Common Stock shall not be sufficient to effect the conversion of all then outstanding shares of Series A Preferred Stock, the Corporation will take such corporate action as may, in the opinion of its counsel, be necessary to increase its authorized but unissued shares of Common Stock to such number of shares as shall be sufficient for such purpose.

(k) Certain Taxes. The Corporation shall pay any issue or transfer taxes payable in connection with the conversion of Series A Preferred Stock; provided, however, that the Corporation shall, not be required to pay any tax which may be payable in respect of any transfer to a name other than that of the holder of the Series A Preferred Stock.

(l) Closing of Books. The Corporation shall at no time close its transfer books against the transfer of any Series A Preferred Stock or of any shares of Common Stock issued or issuable upon the conversion of any shares of Series A Preferred Stock in any manner which interferes with the timely conversion or transfer of such Series A Preferred Stock or Common Stock.

(m) Good Faith. If any event occurs as to which in the reasonable opinion of the Board of Directors of the Corporation, in good faith, the other provisions of this Section 2 are not strictly applicable but the lack of any adjustment in the Series A Conversion Price would not in the reasonable opinion of the Board fairly protect the Conversion Rights of the holders of such Series A Preferred Stock in accordance with the basic intent and principles of such provisions, or if strictly applicable would not fairly protect the Conversion Rights of the holders of such Series A Preferred Stock in accordance with the basic intent and principles of such provisions, then the Board of Directors of the Corporation shall cause the Corporation forthwith to make such adjustment, if any, to the Series A Conversion Price, on a basis consistent with the basic intent and principles of this Section 2, as it in good faith considers necessary to preserve, without dilution, the Conversion Rights of all the holders of such Series A Preferred Stock.

Section 3. Restrictions.

(a) At any time when shares of Series A Preferred Stock are outstanding (excluding shares of Common Stock issued upon the conversion of any shares of Series A Preferred Stock), except where the vote of the holders of a greater number of shares of Series A Preferred Stock is required by law or by this Articles of Incorporation, and in addition to any other vote required by law or by this Articles of Incorporation, without the affirmative vote or written consent of the

holders of at least sixty-six and two-thirds percent (66-2/3%) of the then issued and outstanding shares of Series A Preferred Stock, voting as a separate single class, the Corporation will not:

Except as otherwise required by law or set forth in this Articles of Incorporation, the holders of Series A Preferred Stock shall be entitled to notice of any meeting of stockholders and shall vote together with the holders of Common Stock as a single class upon any matter submitted to the stockholders for a vote. With respect to all questions as to which, by law or by this Articles of Incorporation, stockholders are required to vote by classes or series, the Series A Preferred Stock shall vote separately as a single class and series apart from the Common Stock. Shares of Common Stock and Series A Preferred Stock shall entitle the holders thereof to the following number of votes on any matter as to which they are entitled to vote:

(i) holders of Common Stock shall have one vote per share; and

(ii) holders of Series A Preferred Stock shall have that number of votes per share as is equal to the number of shares of Common Stock (including fractions of a share) into which each such share of Series A Preferred Stock held by such holder could be converted on the date for determination of stockholders entitled to vote at the meeting or on the date of any written consent.

stockholders entitled to elect a particular director shall be entitled to remove such director or to fill a vacancy in the seat formerly held by such director, all in accordance with the applicable provisions under Delaware law.

(c) Calling of Stockholder Meetings. In addition to any rights which may be available under the Corporation's Bylaws or otherwise under law, the holders of not less than twenty-five percent (25%) in voting power of the then issued and outstanding shares of Series A Preferred Stock shall be entitled to call meetings of the stockholders of the Corporation. Within five (5) business days after written application by the holders of not less than twenty-five percent (25%) in voting power of the then issued and outstanding shares of Series A Preferred Stock, the President or Secretary, or such other officer of the Corporation as may be authorized in the Bylaws of the Corporation to give notice of meetings of stockholders of the Corporation, shall notify each stockholder of the Corporation entitled to such notice of the date, time, place and purpose of such meeting. No meeting of stockholders called pursuant to this Subsection 4(c) shall take place more than fourteen (14) days after the date notice of such meeting is given.

(d) Termination of Certain Voting Rights. The method for election of directors set forth in Subsection 4(b) above, and the ability of the holders of Series A Preferred Stock to call a stockholder meeting set forth in Subsection 4(c) above, shall automatically terminate and be of no further force or effect upon the earliest to occur of (1) a Liquidity Event, or (2) a Qualified Public Offering.

The term Per Share Enterprise Value shall mean the fair market value of the Corporation calculated by an appraiser selected by the Corporation divided the number of shares of Common Stock of the Corporation calculated on a fully diluted basis.

(b) The Corporation may not declare or pay any dividend or make any distribution of assets on, or redeem, purchase or otherwise acquire, shares of Common Stock of the Corporation or any other stock of the Corporation ranking junior to the Series A Preferred Stock as to the payment of dividends or the distribution of assets upon liquidation, dissolution or winding up, unless all accrued and unpaid dividends on the Series A Preferred Stock for all prior dividend periods have been or contemporaneously are declared and paid.
