Use the link at the bottom of this page to request the following type change:

- an address change for the principal and/or mailing address of a business entity
- an address change for an officer/director/manager/managing member/general partner
- change or add the Federal Employer Identification Number (FEI/EIN)
- change or add an email address that the Division of Corporations will use for mailing of future Annual Report Reminder Notices

Remember:

- The principal address for a business entity **MUST** be a street address
- Include the document file number with your request
- If you have already submitted these changes on your current year annual report, it is not necessary to notify us again
- If you need to change the Registered Agent's address, you must fill out the appropriate form and pay the required filing fee. Access the [forms download page here](#)
- Do not send any other type requests to this link
- Allow 5 business days for changes to be processed
