RE: Rejected document filing W10000055655

300188317573

Dear Ms. Cushing:

I have been attempting to file a corporation. The original name I tried to file was FooBar Incorporated. This listing was rejected as too similar, although the only listing I found was "Foo Bar Inc.", with Foo Bar being 2 separate words whereas I wanted them as one.

I therefore, attempted to file again with extra words at the end to distinguish it from the other name, which explained what FooBar meant, so the name would be unique. The listing I resubmitted was FooBar Incorporated (Food at the Sandbar), with parenthesis so on our letterhead it would look interesting.

I called the Division of Corporations today and was advised to fax a letter indicating that it was my intention to use this as the legal name of the corporation so that it may be filed. Please allow this letter to confirm that we intend to use "FooBar Incorporated (Food at the Sandbar) as our full legal name.

Sincerely,
