Thank you very much for your help with the amendment. The EIN number is 27-4609841. I have attached the IRS letter verifying the EIN number for the company so that it may be added. Also, can you please tell me what the typical procedure to add the EIN number to the site is. I opened a corporation for a customer and will be opening others and would like to know what the standard process is. Once again thank you very much for your prompt attention to this matter.
