Who It May Concern:

I am Nelly Nava, I have sent twice an application for filing a Corporation name (small business), and I received the same application back two times because it was incorreceted, but I only can see online as a rejected filing, could you please send me an email explaining to me what was the problem with that application, that way I can go with a professional to make it in a correct way, but I need to know first what is happening with this case, I have all my jobs in stand by (holded) waiting to my corporation to be approved it to start working on that.
