Ms. Dunlap,

I really appreciate your taking your time to explain the modification that was needed to my Articles of Incorporation.

I added the following statement to Article II: Initial Office and Agent:

"The above physical address and mailing address are also the physical address and mailing address for the principle office of the corporation."

I hope this statement meets your requirements to indicate that these addresses are for both the initial registered office and for the principle corporate office.

Best Regards,

C. Hall "Skip" Jones

We have received your document for C. HALL JONES & ASSOCIATES, INC. and your check(s) totaling \$87.50. However, the enclosed document has not been filed and is being returned for the following correction(s):

You failed to make the correction(s) requested in our previous letter.

The Florida Statutes require an entity to designate a street address for its principal office address. A post office box is not acceptable for the principal office address. The entity may, however, designate a separate mailing address. The mailing address may be a post office box.

The registered agent must sign accepting the designation.

Section 607.0120(6)(b), or 617.0120(6)(b), Florida Statutes, requires that articles of incorporation be executed by an incorporator.

Please give me a call before resubmitting this document back for filing.

Please return the corrected original and one copy of your document, along with a copy of this letter, within 60 days or your filing will be considered abandoned.

If you have any questions concerning the filing of your document, please call (850) 245-6879.
