**ARTICLES OF AMENDMENT TO ARTICLES OF INCORPORATION
OF BLUEPRINT TECHNOLOGIES, INC.**

**CERTIFICATE OF DESIGNATION,
PREFERENCES AND RIGHTS OF
SERIES A CONVERTIBLE PREFERRED STOCK**

Blueprint Technologies, Inc., a corporation organized and existing under the laws of the State of Florida (the "CORPORATION"), hereby certifies that the Board of Directors of the Corporation (the "BOARD"), pursuant to authority of the Board as required by applicable corporate law, and in accordance with the provisions of its Articles of Incorporation, as amended (the "ARTICLES OF INCORPORATION") and Bylaws, has and hereby authorizes a series of the Corporation's previously authorized Preferred Stock, par value \$.001 per share (the "PREFERRED STOCK"), and hereby states the designation and number of shares, and fixes the rights, preferences, privileges, powers and restrictions thereof, as specified below. The amendment was adopted on February 11, 2011 by the Board without shareholder action and shareholder action was not required.

SERIES A CONVERTIBLE PREFERRED STOCK
DESIGNATION AND AMOUNT

Twenty Two Million One Hundred Eighty (22,180,000) shares of the authorized and un-issued Preferred Stock of the Corporation are hereby designated "SERIES A CONVERTIBLE PREFERRED STOCK" with the following rights, preferences, powers, privileges, restrictions, qualifications and limitations:

1. **Stated Value.** The stated value of each issued share of Series A Convertible Preferred Stock shall be deemed to be \$1.00 (the "STATED VALUE"), as the same may be equitably adjusted whenever there may occur a stock dividend, stock split, combination, reclassification or similar event affecting the Series A Convertible Preferred Stock.

2. **Voting.** On any matter presented to the shareholders of the Corporation for their action or consideration at any meeting of shareholders of the Corporation (or by written consent of shareholders in lieu of a meeting), each holder of outstanding shares of Series A Convertible Preferred Stock shall be entitled to cast one (1) vote for each share of Series A Convertible Preferred Stock held by such holder as of the record date for determining shareholders entitled to vote on such matter. Except as provided by law, holders of Series A Convertible Preferred Stock shall vote together with the holders of the common stock, par value \$.001 per share of the Corporation (the "COMMON STOCK") and with the holders of any other series of Preferred Stock the terms of which so provide, together as a single class.

3. **Liquidation, Dissolution, or Winding-Up; Dividends.**

(a) **Payments to Holders of Series A Convertible Preferred Stock.** Upon any liquidation, dissolution or winding-up of the Corporation, whether voluntary or involuntary, the holders of the shares of Series A Convertible Preferred Stock shall be paid, before any payment shall be paid to the holders of Common Stock or any other stock ranking on liquidation

junior to the Series A Convertible Preferred Stock (collectively, the "JUNIOR STOCK"), an amount for each share of Series A Convertible Preferred Stock held by such holder equal to the sum of (1) the Stated Value thereof and (2) an amount equal to all dividends declared and unpaid thereon, computed to the date payment thereof is made available (such applicable amount payable with respect to a share of Series A Convertible Preferred Stock sometimes being referred to as the "INDIVIDUAL SERIES A LIQUIDATION PREFERENCE PAYMENT" and with respect to all shares of Series A Convertible Preferred Stock in the aggregate sometimes being referred to as the "AGGREGATE SERIES A LIQUIDATION PREFERENCE PAYMENT"). If, upon such liquidation, dissolution or winding-up of the Corporation, whether voluntary or involuntary, the assets to be distributed among the holders of shares of Series A Convertible Preferred Stock shall be insufficient to permit payment to the holders of Series A Convertible Preferred Stock of an aggregate amount equal to the Aggregate Series A Liquidation Preference Payment, then the entire assets of the Corporation to be so distributed shall be distributed ratably among the holders of Series A Convertible Preferred Stock (based on the Individual Series A Liquidation Preference Payments due to the respective holders of Series A Convertible Preferred Stock).

(b) **Payments to Holders of Junior Stock; Participating Preferred.** After the payment of all preferential amounts required to be paid to the holders of the Series A Convertible Preferred Stock pursuant to Section 3(a) above, the holders of all shares of Series A Convertible Preferred Stock and Common Stock shall be entitled to receive the remaining assets of the Corporation available for distribution to its shareholders on an as-converted basis, as if all of the holders of Series A Convertible Preferred Stock had converted all of their shares of Series A Convertible Preferred Stock into Common Stock pursuant to Section 4 below.

(c) **Special Preferred Distribution.**

(i) Prior to such time that the Corporation (i) pays or sets aside dividends for payment on any Junior Stock of the Corporation or (ii) permits the exercise of any of the Management Options, the Corporation shall declare and pay to each holder of Series A Convertible Preferred Stock with respect to each share of Series A Convertible Preferred Stock then held by such holder an amount equal to the Stated Value of such share (the "Special Preferred Distribution"). Notwithstanding the foregoing, the exercise of the Management Options shall not be prohibited if the Corporation has the funds to pay the Special Preferred Distribution and offers to pay the Special Preferred Distribution to the holders, but the holder of a majority of the outstanding shares of Series A Convertible Preferred Stock, in their sole discretion, elect to waive the payment of the Special Preferred Distribution. Additionally, if the Special Preferred Distribution is paid to the holders of the Series A Convertible Preferred Stock in part, the Management Options will become exercisable on a pro rata basis, proportionate to the amount of payment made under the Special Preferred Distribution.

(ii) **"Management Options"** means options to purchase (a) up to an aggregate of 31.1% of the shares of Common Stock of the Corporation as of the date hereof on a fully diluted basis issued to executives, consultants, employees and agents of the Corporation (including options issued to Michael Nole, Bryan McGuire and George Pacinelli to acquire shares of Common Stock of the Corporation pursuant to their employment agreements referenced in the Securities Purchase Agreement dated on or about February 12, 2011 by and

H11000039392 3

H11000039392 3

between the Corporation, and each of the purchasers of Series A Convertible Preferred Stock of the Corporation a party thereto; provided that such options, by their terms, become exercisable only after payment by the Corporation of the Special Preferred Distribution in full to holders of Series A Convertible Preferred Stock or as otherwise contemplated by the terms of the Certificate of Designation.

4. **Optional Conversion.** The holders of Series A Convertible Preferred Shares shall have the conversion rights as follows:

(a) **Right to Convert.** Each share of Series A Convertible Preferred Stock shall be convertible, at the option of the holder thereof, at any time after the Date of Issuance, and if at least a majority of the then outstanding shares of Series A Convertible Preferred Stock elect to so convert, each of the outstanding share of Series A Convertible Preferred Stock shall be automatically converted, without the payment of additional consideration by the holder thereof, into such number of fully-paid and nonassessable shares of Common Stock as is determined by dividing (1) the sum of (i) the Stated Value per share and (ii) all dividends declared and unpaid on each such share through the date of actual conversion, by (2) the Series A Conversion Price in effect at the time of conversion. The "SERIES A CONVERSION PRICE" shall be \$0.01. The Series A Conversion Price, and the rate at which shares of Series A Convertible Preferred Stock may be converted into shares of Common Stock, shall be subject to adjustment as provided below.

(b) **Fractional Shares.** No fractional shares of Common Stock shall be issued upon conversion of the Series A Convertible Preferred Stock. In lieu of any fractional shares to which the holder would otherwise be entitled, the Corporation shall pay cash equal to such fraction multiplied by the fair market value of a share of Common Stock as determined in good faith by the Board, or round-up to the next whole number of shares, at the Corporation's option. Whether or not fractional shares would be issuable upon such conversion shall be determined on the basis of the total number of shares of Series A Convertible Preferred Stock the holder is at the time converting into Common Stock and the aggregate number of shares of Common Stock issuable upon such conversion.

(c) **Mechanics of Conversion.**

(i) For a holder of Series A Convertible Preferred Stock to voluntarily convert shares of Series A Convertible Preferred Stock into shares of Common Stock, that holder shall surrender the certificate or certificates for such shares of Series A Convertible Preferred Stock (or, if the registered holder alleges that such certificate has been lost, stolen, or destroyed, a lost certificate affidavit and agreement reasonably acceptable to the Corporation to indemnify the Corporation against any claim that may be made against the Corporation on account of the alleged loss, theft, or destruction of such certificate), at the office of the transfer agent for the Series A Convertible Preferred Stock (or at the principal office of the Corporation if the Corporation serves as its own transfer agent), together with written notice that the holder elects to convert all or any number of the shares of the Series A Convertible Preferred Stock represented by such certificate or certificates and, if applicable, any event on which such conversion is contingent. The notice shall state the holder's name or the names of the nominees in which the holder wishes the certificate or certificates for shares of Common Stock to be

H11000039392 3

H11000039392 3

issued. If required by the Corporation, certificates surrendered for conversion shall be endorsed or accompanied by a written instrument or instruments of transfer, in form satisfactory to the Corporation, duly executed by the registered holder or his, her, or its attorney duly authorized in writing. The close of business on the date of receipt by the transfer agent of such certificates (or lost certificate affidavit and agreement) and notice (or by the Corporation if the Corporation serves as its own transfer agent) shall be the time of conversion (the "CONVERSION TIME"), and the shares of Common Stock issuable upon conversion of the shares represented by such certificate shall be deemed to be outstanding of record as of that date. The Corporation shall, as soon as commercially practicable after the Conversion Time, issue and deliver at such office to the holder of Series A Convertible Preferred Stock, or to his, her, or its nominee(s), a certificate or certificates for the number of shares of Common Stock to which the holder(s) shall be entitled, together with cash in lieu of any fraction of a share, if applicable.

(ii) The Corporation shall at all times while the Series A Convertible Preferred Stock is outstanding, reserve and keep available out of its authorized but unissued stock, for the purpose of effecting the conversion of the Series A Convertible Preferred Stock, such number of its duly authorized shares of Common Stock as shall from time to time be sufficient to effect the conversion of all outstanding Series A Convertible Preferred Stock; and if, at any time, the number of authorized but unissued shares of Common Stock shall not be sufficient to effect the conversion of all then-outstanding shares of the Series A Convertible Preferred Stock, the Corporation shall take such corporate action as may be necessary to increase its authorized but unissued shares of Common Stock to such number of shares as shall be sufficient for such purposes, including, without limitation, engaging in best efforts to obtain the requisite shareholder approval of any necessary amendment to the Articles of Incorporation

(iii) All shares of Series A Convertible Preferred Stock that shall have been surrendered for conversion as herein provided shall no longer be deemed to be outstanding, and all rights with respect to such shares, including the rights, if any, to receive notices, to vote, and to receive payment of any dividends accrued or declared but unpaid thereon, shall immediately cease and terminate at the Conversion Time, except only the right of the holders thereof to receive shares of Common Stock in exchange therefor. Any shares of Series A Convertible Preferred Stock so converted shall be retired and cancelled and shall not be reissued as shares of such series, and the Corporation (without the need for shareholder action) may from time to time take such appropriate action as may be necessary to reduce the authorized number of shares of Series A Convertible Preferred Stock accordingly.

(iv) Upon any such conversion, no adjustment to the Series A Conversion Price shall be made for any accrued or declared but unpaid dividends on the Series A Convertible Preferred Stock surrendered for conversion or on the Common Stock delivered upon conversion.

(v) The Corporation shall pay any and all issue and other similar taxes that may be payable in respect of any issuance or delivery of shares of Common Stock upon conversion of shares of Series A Convertible Preferred Stock pursuant to this Section 4. The Corporation shall not, however, be required to pay any tax that may be payable in respect of any transfer involved in the issuance and delivery of shares of Common Stock in a name other than that in which the shares of Series A Convertible Preferred Stock so converted were registered,

H11000039392 3

H11000039392 3

and no such issuance or delivery shall be made unless and until the person or entity requesting such issuance has paid to the Corporation the amount of any such tax or has established, to the satisfaction of the Corporation, that such tax has been paid

(d) **Adjustments to Series A Conversion Price for Diluting Issues**

(i) **Special Definitions.** For purposes of this Section 4, the following definitions shall apply:

(A) "ADDITIONAL SHARES OF COMMON STOCK" shall mean all shares of Common Stock issued (or, pursuant to Section 4(d)(iii) below, deemed to be issued) by the Corporation after the Date of Issuance, other than the following ("EXEMPTED SECURITIES"):

(I) shares of Common Stock issued or issuable by reason of a dividend, stock split, split-up or other distribution on shares of Common Stock that is covered by Section 4(e), 4(f), 4(g) or 4(h) below;

(II) shares of Common Stock issued or deemed issued to employees or directors of, or consultants to, the Corporation or any of its Subsidiaries for services rendered pursuant to a plan, agreement, or arrangement approved by the Board, including any Management Options;

(III) shares of Common Stock or Convertible Securities issued upon the exercise of Options outstanding as of February 12, 2011, or shares of Common Stock issued upon the conversion or exchange of Convertible Securities outstanding as of February 12, 2011, in each case, provided the issuance is pursuant to the terms of such Option or Convertible Security;

(IV) shares of Common Stock issued upon the exercise of the First Amended and Restated Warrant issued in favor of Chatham Credit Management III, LLC, as agent for Chatham Investment Fund III, LLC and Chatham Investment Fund III QP, LLC, dated February 12, 2011, provided the issuance is pursuant to the terms of such warrant; and

(V) shares of Common Stock issued or deemed issued in connection with a bona fide joint venture or business acquisition of or by the Corporation, whether by merger, consolidation, sale of assets, sale or exchange of stock, or otherwise; provided that any such issuance is approved by the Board.

(B) "CONVERTIBLE SECURITIES" shall mean any evidence of indebtedness, warrants, shares or other securities directly or indirectly convertible into or exchangeable for Common Stock, but excluding Options.

(C) "DATE OF ISSUANCE" means February 12, 2011.

(D) "OPTION" shall mean rights, options, or warrants to subscribe for, purchase, or otherwise acquire Common Stock or Convertible Securities.

H11000039392 3

(ii) ***No Adjustment of Series A Conversion Price.*** No adjustment in the Series A Conversion Price shall be made as the result of the issuance of Additional Shares of Common Stock if the consideration per share (determined pursuant to Section 4(d)(v) below) for such Additional Shares of Common Stock issued or deemed to be issued by the Corporation is equal to or greater than the applicable Series A Conversion Price in effect immediately prior to the issuance or deemed issuance of such Additional Shares of Common Stock.

(iii) ***Deemed Issue of Additional Shares of Common Stock***

(A) If the Corporation, at any time or from time to time after the Date of Issuance, shall issue any Options or Convertible Securities (excluding Options or Convertible Securities that, upon exercise, conversion, or exchange thereof, would entitle the holder thereof to receive Exempted Securities) or shall fix a record date for the determination of holders of any class of securities entitled to receive any such Options or Convertible Securities, then the maximum number of shares of Common Stock (as set forth in the instrument relating thereto, assuming the satisfaction of any conditions to exercisability, convertibility, or exchangeability but without regard to any provision contained therein for a subsequent adjustment of such number) issuable upon the exercise of such Options or, in the case of Convertible Securities and Options therefor, the conversion or exchange of such Convertible Securities, shall be deemed to be Additional Shares of Common Stock issued as of the time of such issue or, in case such a record date shall have been fixed, as of the close of business on such record date.

(B) If the terms of any Option or Convertible Security, the issuance of which resulted in an adjustment to the Series A Conversion Price pursuant to the terms of Section 4(d)(iv) below, are revised (either automatically pursuant to the provisions contained therein or as a result of an amendment to such terms) to provide for either (1) any increase or decrease in the number of shares of Common Stock issuable upon the exercise, conversion, or exchange of any such Option or Convertible Security or (2) any increase or decrease in the consideration payable to the Corporation upon such exercise, conversion, or exchange, then, effective upon such increase or decrease becoming effective, the Series A Conversion Price computed upon the original issue of such Option or Convertible Security (or upon the occurrence of a record date with respect thereto) shall be readjusted to such Series A Conversion Price as would have been obtained had such revised terms been in effect upon the original date of issuance of such Option or Convertible Security. Notwithstanding the foregoing, no adjustment pursuant to this clause (B) shall have the effect of increasing the Series A Conversion Price to an amount that exceeds the lower of (i) the Series A Conversion Price on the original adjustment date, or (ii) the Series A Conversion Price that would have resulted from any issuances of Additional Shares of Common Stock between the original adjustment date and such readjustment date.

(C) If the terms of any Option or Convertible Security (excluding Options or Convertible Securities that, upon exercise, conversion, or exchange thereof, would entitle the holder thereof to receive Exempted Securities), the issuance of which did not result in an adjustment to the Series A Conversion Price pursuant to the terms of Section 4(d)(iv) below (either because the consideration per share (determined pursuant to Section 4(d)(v) below) of the Additional Shares of Common Stock subject thereto was equal to or greater

H11000039392 3

H11000039392 3

than the Series A Conversion Price then in effect, or because such Option or Convertible Security was issued before the Date of Issuance), are revised after the Date of Issuance (either automatically pursuant to the provisions contained therein or as a result of an amendment to such terms) to provide for either (1) any increase or decrease in the number of shares of Common Stock issuable upon the exercise, conversion, or exchange of any such Option or Convertible Security or (2) any increase or decrease in the consideration payable to the Corporation upon such exercise, conversion, or exchange, then such Option or Convertible Security, as so amended, and the Additional Shares of Common Stock subject thereto (determined in the manner provided in Section 4(d)(iii)(A) above) shall be deemed to have been issued effective upon such increase or decrease becoming effective.

(D) Upon the expiration or termination of any unexercised Option or unconverted or unexchanged Convertible Security that resulted (either upon its original issuance or upon a revision of its terms) in an adjustment to the Series A Conversion Price pursuant to the terms of Section 4(d)(iv) below, the Series A Conversion Price shall be readjusted to such Series A Conversion Price as would have been obtained had such Option or Convertible Security never been issued.

(iv) *Adjustment of Series A Conversion Price Upon Issuance of Additional Shares of Common Stock.* If the Corporation shall at any time after the Date of Issuance issue Additional Shares of Common Stock (including Additional Shares of Common Stock deemed to be issued pursuant to Section 4(d)(iii) above), without consideration or for a consideration per share less than the applicable Series A Conversion Price in effect immediately prior to such issue, then the Series A Conversion Price shall be reduced, concurrently with such issue, to a price equal to the consideration received per share in connection with the issuance of such Additional Shares of Common Stock.

(v) *Determination of Consideration.* For purposes of this Section 4(d), the consideration received by the Corporation for the issue of any Additional Shares of Common Stock shall be computed as follows:

(A) *Cash and Property:* Such consideration shall:

(I) insofar as it consists of cash, be computed at the aggregate amount of cash received by the Corporation, excluding amounts paid or payable for accrued interest;

(II) insofar as it consists of property other than cash, be computed at the fair market value thereof at the time of such issue, as determined in good faith by the Board; and

(III) if Additional Shares of Common Stock are issued together with other shares or securities or other assets of the Corporation for consideration that covers both, be the proportion of such consideration so received, computed as provided in clauses (I) and (II) above, as determined in good faith by the Board.

(B) *Options and Convertible Securities.* The consideration per share received by the Corporation for Additional Shares of Common Stock deemed to have been

H11000039392 3

H11000039392 3

issued pursuant to Section 4(d)(iii) above, relating to Options and Convertible Securities, shall be determined by dividing

(I) the total amount, if any, received or receivable by the Corporation as consideration for the issue of such Options or Convertible Securities, plus the aggregate amount of additional consideration (as set forth in the instruments relating thereto, without regard to any provision contained therein for a subsequent adjustment of such consideration) payable to the Corporation upon the exercise of such Options or the conversion or exchange of such Convertible Securities, or in the case of Options for Convertible Securities, the exercise of such Options for Convertible Securities and the conversion or exchange of such Convertible Securities, by

(II) the maximum number of shares of Common Stock (as set forth in the instruments relating thereto, without regard to any provision contained therein for a subsequent adjustment of such number) issuable upon the exercise of such Options or the conversion or exchange of such Convertible Securities.

(vi) **Multiple Closing Dates.** If the Corporation shall issue on more than one date Additional Shares of Common Stock that are a part of one transaction or a series of related transactions and that would result in an adjustment to the Series A Conversion Price pursuant to the terms of Section 4(d)(iv) above, then, upon the final such issuance, the Series A Conversion Price shall be readjusted to give effect to all such issuances as if they occurred on the date of the first such issuance (and without giving additional effect to any adjustments as a result of any subsequent issuances within such period).

(e) **Adjustment for Stock Splits and Combinations.** If the Corporation shall, at any time or from time to time after the Date of Issuance, effect a subdivision of the outstanding Common Stock without a comparable subdivision of the Series A Convertible Preferred Stock, or combine the outstanding shares of Series A Convertible Preferred Stock without a comparable combination of the Common Stock, the Series A Conversion Price in effect immediately before that subdivision or combination shall be proportionately decreased so that the number of shares of Common Stock issuable on conversion of each share of such series shall be increased in proportion to such increase in the aggregate number of shares of Common Stock outstanding or in proportion to such decrease in the aggregate number of shares of Series A Convertible Preferred Stock outstanding, as applicable. If the Corporation shall, at any time or from time to time after the Date of Issuance, combine the outstanding shares of Common Stock without a comparable combination of the Series A Convertible Preferred Stock or effect a subdivision of the outstanding shares of Series A Convertible Preferred Stock without a comparable subdivision of the Common Stock, the Series A Conversion Price in effect immediately before the combination or subdivision shall be proportionately increased so that the number of shares of Common Stock issuable on conversion of each share of such series shall be decreased in proportion to such decrease in the aggregate number of shares of Common Stock outstanding or in proportion to such increase in the aggregate number of shares of Series A Convertible Preferred Stock outstanding, as applicable. Any adjustment under this subsection shall become effective at the close of business on the date the subdivision or combination becomes effective.

H11000039392 3

H11000039392 3

(f) **Adjustment for Certain Dividends and Distributions.** If the Corporation shall, at any time or from time to time after the Date of Issuance, make or issue, or fix a record date for the determination of holders of Common Stock entitled to receive, a dividend or other distribution payable on the Common Stock in additional shares of Common Stock, then, and in each such event, the Series A Conversion Price in effect immediately before such event shall be decreased as of the time of such issuance or, in the event such a record date shall have been fixed, as of the close of business on such record date, by multiplying the Series A Conversion Price then in effect by a fraction (i) the numerator of which shall be the total number of shares of Common Stock issued and outstanding immediately prior to the time of such issuance or the close of business on such record date, and (ii) the denominator of which shall be the total number of shares of Common Stock issued and outstanding immediately prior to the time of such issuance or the close of business on such record date plus the number of shares of Common Stock issuable in payment of such dividend or distribution; provided, however, that if such record date shall have been fixed and such dividend is not fully paid or if such distribution is not fully made on the date fixed therefor, the Series A Conversion Price shall be recomputed accordingly as of the close of business on such record date and thereafter the Series A Conversion Price shall be adjusted pursuant to this subsection as of the time of actual payment of such dividends or distributions; and provided further, however, that no such adjustment shall be made if the holders of Series A Convertible Preferred Stock simultaneously receive (i) a dividend or other distribution of shares of Common Stock in a number equal to the number of shares of Common Stock as they would have received if all outstanding shares of Series A Convertible Preferred Stock had been converted into Common Stock on the date of such event; or (ii) a dividend or other distribution of shares of Series A Convertible Preferred Stock that are convertible, as of the date of such event, into such number of shares of Common Stock as is equal to the number of additional shares of Common Stock being issued with respect to each share of Common Stock in such dividend or distribution.

(g) **Adjustments for Other Dividends and Distributions.** If the Corporation shall, at any time or from time to time after the Date of Issuance, make or issue, or fix a record date for the determination of holders of capital stock of the Corporation entitled to receive, a dividend or other distribution payable in securities of the Corporation (other than a distribution of shares of Common Stock in respect of outstanding shares of Common Stock) or in other property (other than cash), then, and in each such event, the holders of Series A Convertible Preferred Stock shall receive, simultaneously with the distribution to the holders of such capital stock, a dividend or other distribution of such securities or other property in an amount equal to the amount of such securities or other property as they would have received if all outstanding shares of Series A Convertible Preferred Stock had been converted into Common Stock on the date of such event.

(h) **Adjustment for Merger or Reorganization, etc.** If there shall occur any reorganization, recapitalization, reclassification, consolidation or merger involving the Corporation in which the Common Stock (but not the Series A Convertible Preferred Stock) is converted into or exchanged for securities, cash, or other property (other than a transaction covered by Sections 4(e), (f), or (g) above), then, following any such reorganization, recapitalization, reclassification, consolidation, or merger, each share of Series A Convertible Preferred Stock shall thereafter be convertible in lieu of the Common Stock into which it was convertible prior to such event into the kind and amount of securities, cash or other property that

H11000039392 3

H11000039392 3

a holder of the number of shares of Common Stock of the Corporation issuable upon conversion of one share of Series A Convertible Preferred Stock immediately prior to such reorganization, recapitalization, reclassification, consolidation, or merger would have been entitled to receive pursuant to such transaction; and, in such case, appropriate adjustment (as determined in good faith by the Board) shall be made in the application of the provisions in this Section 4 with respect to the rights and interests thereafter of the holders of the Series A Convertible Preferred Stock, to the end that the provisions set forth in this Section 4 (including provisions with respect to changes in and other adjustments of the Series A Conversion Price) shall thereafter be applicable, as nearly as reasonably may be, in relation to any securities or other property thereafter deliverable upon the conversion of the Series A Convertible Preferred Stock.

(i) **Certificate as to Adjustments.** Upon the occurrence of each adjustment or readjustment of the Series A Conversion Price pursuant to this Section 4, the Corporation, at its expense, shall, as promptly as reasonably practicable, but in any event not later than ten (10) days thereafter, compute such adjustment or readjustment in accordance with the terms hereof and furnish to each holder of Series A Convertible Preferred Stock a certificate setting forth such adjustment or readjustment (including the kind and amount of securities, cash or other property into which the Series A Convertible Preferred Stock is convertible) and showing in detail the facts upon which such adjustment or readjustment is based. The Corporation shall, as promptly as reasonably practicable after the written request at any time of any holder of Series A Convertible Preferred Stock (but in any event not later than ten (10) days thereafter), furnish or cause to be furnished to such holder a certificate setting forth (i) the Series A Conversion Price then in effect, and (ii) the number of shares of Common Stock and the type and amount, if any, of other securities, cash, or property that then would be received upon the conversion of Series A Convertible Preferred Stock.

(j) **Notice of Record Date.** In the event:

(i) the Corporation shall take a record of the holders of its Common Stock (or other stock or securities at the time issuable upon conversion of the Series A Convertible Preferred Stock) for the purpose of entitling or enabling them to receive any dividend or other distribution, or to receive any right to subscribe for or purchase any shares of stock of any class or any other securities, or to receive any other right; or

(ii) of any capital reorganization of the Corporation or any reclassification of the Common Stock; or

(iii) of the voluntary or involuntary dissolution, liquidation, or winding-up of the Corporation,

then, and in each such case, the Corporation will send or cause to be sent to the holders of the Series A Convertible Preferred Stock a notice specifying, as the case may be, (A) the record date for such dividend, distribution, or right, and the amount and character of such dividend, distribution, or right; or (B) the effective date on which such reorganization, reclassification, consolidation, merger, transfer, dissolution, liquidation, or winding-up is proposed to take place, and the time, if any is to be fixed, as of which the holders of record of Common Stock (or such other stock or securities at the time issuable upon the conversion of the Series A Convertible

H11000039392 3

H11000039392 3

Preferred Stock) shall be entitled to exchange their shares of Common Stock (or such other stock or securities) for securities or other property deliverable upon such reorganization, reclassification, consolidation, merger, transfer, dissolution, liquidation, or winding-up, and the amount per share and character of such exchange applicable to the Series A Convertible Preferred Stock and the Common Stock. Such notice shall be sent at least ten (10) days prior to the record date or effective date for the event specified in such notice. Any notice required by the provisions hereof to be given to a holder of shares of Series A Convertible Preferred Stock shall be deemed sent to such holder if deposited in the United States mail, postage prepaid, and addressed to such holder at his, her, or its address appearing on the books of the Corporation.

5. **Waiver.** Any of the rights, powers, or preferences of the holders of Series A Convertible Preferred Stock set forth herein may be waived by the affirmative consent or vote of the holders of at least a majority of the shares of Series A Convertible Preferred Stock then outstanding.

6. **Definitions.** As used herein, the following terms shall have the following meanings:

(a) "CONTROL" means the possession, directly or indirectly, of power to direct or cause the direction of management or policies (whether through ownership of voting securities, by agreement or otherwise).

(b) "INDEBTEDNESS" means, as applied to any Person, all obligations, contingent and otherwise, that, in accordance with GAAP, should be classified upon such Person's balance sheet as liabilities, or to which reference should be made by footnotes thereto, including, in any event and whether so classified: (a) all debt and similar monetary obligations, whether direct or indirect; (b) all liabilities secured by any mortgage, pledge, security interest, lien, charge, or other encumbrance existing on property owned or acquired subject thereto, irrespective of whether the liability secured thereby shall have been assumed; (c) all guarantees, endorsements, and other contingent obligations, whether direct or indirect, in respect of indebtedness of others, including any obligation to supply funds to or in any manner to invest in, directly or indirectly, the debtor, to purchase indebtedness, or to assure the owner of indebtedness against loss, through an agreement to purchase goods, supplies, or services for the purpose of enabling the debtor to make payment of the indebtedness held by such owner or otherwise; and (d) the obligation to reimburse the issuer in respect of any letter of credit.
