Thank you for your email.

We are forwarding your EIN number update to the proper section so that this can be updated, and I have updated your email address as you requested.

You are correct that because this corporation was formed in 2011, its first annual report will be due next year. No report is due this year.

The Annual Report is due in January of each year after the calendar year in which the corporation is formed, and is late if not filed by May 1st. Please note that the annual reports are due by May 1st of each year, and you will always use your same document number to access your report each year. You can file the report as early in each year as you would like. It is the responsibility of each entity to file its report by May 1st of each year. Due to budget restrictions, the Division of Corporations no longer sends reminders by mail.

Thank you.

I would like to add the following information to Canes and More, Inc. P11000035513:

EIN#: 32-0338448
E-mail address: mwestcott@canesandmore.com

I would also like to verify that because I was incorporated on 04/11/2011, I am not required to complete a 2011 Annual Report.
