I recently filed a business incorporation through Legal Zoom. There is a typo in the address of record and I would like to correct it officially. The article number is : P11000042251, Filed May 03, 2011, Sec of State; jahickman. The correct business address is : 72 Pisces Drive, Santa Rosa Beach, FL US, 32459. We have already made the correction for the registered agent's address as this was also incorrect, through Legal Zoom.

Please advise if this is sufficient information to correctly register the corporation. Thank you.
