JB WEB DESIGN
From Juan Barajas
Tel: 352-428-1734

Good afternoon Diane. My name is Juan Barajas and I spoke to you earlier today. The situation that I am in right now is that I filed JB WEB DESIGN as a LLC on 4/29/11. When I went to the bank they notified me that I could not authorize another person on the account. I was told to go back and file JB WEB DESIGN as a Corp. So I did that yesterday. Then I saw the email that it was rejected because of duplicate name. I want to have my business filed under CORP not as a LLC. I have also already been issued a Employer Identification Number: 45-2174558 for my LLC. I need to know if I can use that same number for the CORP or does a new EIN has to be issued. If a new EIN has to be issued can you do that too? If not can you please call me and let me know how soon I can go online to have a new EIN issued. Thank you very much for all of your help.
