**Subject:** Question regarding Rejected Filing - Help Please

I checked your HELP section and found a similar question: Mine was by mail with a check which has been cashed. How do I find out what was wrong and how do I correct?

38. I tried to file a new corporation, limited liability company, limited partnership, or limited liability limited partnership online with a credit card, but the filing was rejected. How do I correct and resubmit the document for filing? Do I have to pay again? Or, can I abandon the filing and get my money back?
