Please acknowledge this Statement of Fact as a public record for the business entity for Total Home Exteriors of Florida Inc.

On February 4 2025 My company was hacked and critical confidential information, phone numbers were rerouted. There is an open police investigation but until there is resolution, I am providing this statement of fact to prevent any further damage to my business. Effective immediately, I am requiring that no changes to the entity takes place unless it is done in person at the Division of Corporations' located in Tallahassee Florida. No changes of any kind should be made without 2 original valid forms of identification provided by Jennifer M Rimkus. The Department of State should not accept any changes via email, mail or phone until the investigation is closed and the Company is secure. Since there is currently no way to password protect your business against these types of attacks with Sun biz the best and safest way to secure this is to require it to be done in person. Should any one need to reach our company for any reason they may contact our Pensacola local office at 850-206-9669. We are diligently working on trying to get this resolved and if any customer contacts the department for any reason please have them call either Jennifer M Rimkus or Roland Bradford Jones III 303-880-9572.

Sincerely,

  
Jennifer M. Rimkus
