The document must state the number of shares of authorized stock. The consultation of a legal counsel is always recommended if uncertain of the appropriate number of shares to authorize.

You have indicated in your document the ownership and percentages of the authorized shares. Please note this information is not required nor is it maintained by the Department of State. While we cannot require such, it is recommended that it be removed from the document. The only information needed for this filing is the number of authorized shares.

The registered agent must sign accepting the designation.
