RE: Fraudulent Filing P1200058466

To whom it may concern,

Per my conversation with one of the representatives, I write this letter to inform you of a fraudulent filing on our annual report that was not done by any of the members. We have researched the name and address: both appear to be fake. They exist but do not coincide. I have attached the following items:

- 1) The original email received making us aware a change had been made to our filing.
- 2) Copy of the annual report with the added officer (highlighted the fraudulent name and address used).
- 3) Copy of the annual report after I amended it to remove this individual.
- 4) Copy of the receipt for the filing amendment.

We are not sure of the intentions of the individual whom did this and are very concerned as to what they plan to do with this. Please make note on our record and if there is any means to further secure our information, we request those steps be taken. We also request that you provide payment information used for the false filing so we may provide it to authorities to assist in tracking down the person whom did this. Please feel free to contact me regarding this incident and with any information you can provide.

Sincerely,

Kevin Bass
