To Whom It May Concern:

I am submitting these documents to dissolve my current for profit Florida Corporation and make it a non-profit corporation. Please file the attached Dissolution papers first and then the Articles of Incorporation. I am writing this to give permission to use the exact name, Lenses to Their World, Inc., when creating the non-profit. I have no intention of reinstating profit and the name needs to be used for the non-profit corporation. I am unsure why our company was ever filed as a for profit corporation, as we have always been seeking 501(c) 3 status. We have received non-profit status through the federal government and the paper stating such is attached. With that said, we need to obtain the non-profit status through the state and I was told on the phone if I simply submit the attached documents, this could be accomplished in 5 business days. I was also told that this would not affect our non-profit status with the IRS in any way. Thank you for your time. Please contact me if any further information is needed to expedite this process. We are very anxious to begin helping children through this charity and we are hoping this will be the final step, as we have come across many hurdles in getting this established.

Sincerely,

Jamie Brown

President & Director of Lenses to Their World, Inc.
