OF THE VAPOR PRODUCTS, INC.

Article IV Authorized Stock

The Vapor Products, Inc. (the "Corporation") is authorized to issue two classes of stock.

Common Shares

One class of stock shall be common stock, par value \$0.001, of which the Corporation shall have the authority to issue 350,000,000 shares.

Preferred Shares

The second class of stock shall be preferred stock, par value \$0.001, of which the Corporation shall have the authority to issue 10,000,000 shares.

The Board of Directors of the Corporation may authorize the issuance from time to time of shares of its stock of any class, whether now or hereafter authorized, or securities convertible into shares of its stock of any class, whether now or hereafter authorized, for such consideration as the Board of Directors may deem advisable, subject to such restrictions or limitation, if any, as may be set forth in the bylaws of the Corporation.

Of the 10,000,000 shares of preferred stock authorized, 1,000,000 shall be designated as Series A Preferred Stock, 1,000,000 shares shall be designated as Series B Preferred Stock, and the remainder shall be designated from time to time by the Board of Directors and which shall have the designations, powers, preferences and relative and other special rights and the following qualifications, limitations and restrictions set forth below:

Series A Preferred Stock:

1) Designation and Amounts. The Board of Directors of the Corporation, pursuant to authority granted in the Articles of Incorporation, hereby creates a series of preferred stock designated as Series A Preferred Stock (the "Series A Preferred Stock") with a stated value of \$0.001 per share. The number of authorized shares constituting the Series A Preferred Stock shall be One Million (1,000,000) shares.

2) Dividends. The holders of Series A Preferred Stock shall be entitled to receive dividends, payable via cash or stock in parity with the common stock holders.

3) Voting. Except as otherwise required by law or expressly provided herein, the holders of shares of Series A Preferred Stock shall be entitled to vote on all matters submitted to a vote of the stockholders of the Corporation and shall have ten thousand (10,000) votes for every one (1) Share of Series A Preferred Stock held pursuant to the provisions hereof at the record date for the determination of stockholders entitled to vote on such matters or, if no such record date is established, at the date such vote is taken. Except as otherwise required by law or expressly provided herein, the holders of shares of Series A Preferred Stock and common stock shall vote together as a single class, and not as separate classes.

4) Conversion

a) Conversion Rate. The Shares of Series A Preferred Stock shall be convertible at the option of the Holder into one thousand (1000) shares of common stock any such shares into fully paid and non-assessable shares of common stock.

b) Method of Conversion. Before any holder of Series A Preferred Stock shall be entitled to convert the same into shares of common stock, such holder shall surrender the certificate or certificates therefore,

duly endorsed, at the office of the Corporation or of any transfer agent for the Series A Preferred Stock, and shall give written notice 15 business days prior to date of conversion to the Corporation at its principal corporate office, of the election to convert the same and shall state therein the name or names in which the certificate or certificates for shares of common stock are to be issued. The Corporation shall, within five business days, issue and deliver at such office to such holder of Series A Preferred Stock, or to the nominee or nominees of such holder, a certificate or certificates for the number of shares of common stock to which such holder shall be entitled as aforesaid. Conversion shall be deemed to have been effected on the date when delivery of notice of an election to convert and certificates for shares is made, and such date is referred to herein as the "Conversion Date."

c) Partial Conversion. In the event of the conversion of some but not all of the shares of Series A Preferred Stock represented by a certificate or certificates surrendered, the Corporation shall execute and deliver to or on the order of the holder, at the expense of the Corporation, a new certificate representing the number of shares of Series A Preferred Stock which were not converted.

d) Status of Converted Stock. In the event any shares of Series A Preferred Stock shall be converted or otherwise acquired by the Corporation, the shares so converted shall be canceled and shall resume the status of authorized shares of preferred stock without differentiation as to series. All such shares may be reissued as part of a new series of preferred stock subject to the conditions and restrictions on issuance set forth in the Articles of Incorporation or in any certificate of designation creating a series of preferred stock or any similar stock or as otherwise required by law.

e) Transfer Taxes. The Corporation shall pay all documentary, stamp or other transactional taxes attributable to the issuance or delivery of shares of common stock upon conversion of any shares of Series A Preferred Stock, provided that the Corporation shall not be required to pay any taxes which may be payable in respect of any transfer involved in the issuance or delivery of any certificate for such shares in a name other than that of the holder of the shares of Series A Preferred Stock in respect of which such shares are being issued.

f) Adjustments to Conversion Rate.

i) Subdivisions, Combinations, or Consolidations of Common Stock. In the event the outstanding shares of common stock shall be subdivided, combined or consolidated, by stock split, stock dividend, combination or like event, into a greater or lesser number of shares of common stock after the effective date of this Certificate of Designation, the Series A Conversion Rate in effect immediately prior to such subdivision, combination, consolidation or stock dividend shall, concurrently with the effectiveness of such subdivision, combination or consolidation, be proportionately adjusted as more fully set forth in Section 4(f)(ii).

ii) Adjustment for Common Stock Dividends and Distributions. If the Corporation at any time subdivides, combines or consolidates the outstanding shares of common stock as contemplated by Section 4(f)(i), in each such event the Series A Conversion Rate that is then in effect shall be adjusted as of the time of such event by multiplying the Series A Conversion Rate then in effect by a fraction (x) the numerator of which is the total number of shares of common stock issued and outstanding immediately after the time of such subdivision, combination or consolidation, and (y) the denominator of which is the total number of shares of common stock issued and outstanding immediately prior to such subdivision, combination or consolidation.

iii) Reclassifications and Reorganizations. In the case, at any time after the date hereof, of any capital reorganization, merger or any reclassification of the stock of the Corporation (other than solely as a result of a stock dividend or subdivision, split-up or combination of shares), the Series A Conversion Rate then

in effect shall, concurrently with the effectiveness of such reorganization or reclassification, be proportionately adjusted and the terms of the Series A Preferred Stock shall be deemed amended such that the shares of the Series A Preferred Stock shall, after such reorganization or reclassification, be convertible into the kind and number of shares of stock or other securities or property of the Corporation or otherwise to which such holder would have been entitled if immediately prior to such reorganization or reclassification, the holder's shares of the Series A Preferred Stock had been converted into common stock.

iv) Distributions Other Than Cash Dividends Out of Retained Earnings. If the Corporation shall declare a cash dividend upon its common stock payable otherwise than out of retained earnings or shall distribute to holders of its common stock shares of its capital stock (other than shares of common stock and other than as otherwise would result in an adjustment pursuant to this Section 4(f)), stock or other securities of other persons, evidences of indebtedness issued by the Corporation or other persons, assets (excluding cash dividends) or options or rights (excluding options to purchase and rights to subscribe for common stock or other securities of the Corporation convertible into or exchangeable for common stock), then, in each such case, provision shall be made so that the holders of Series A Preferred Stock shall receive upon conversion thereof, in addition to the number of shares of common stock receivable thereupon, the amount of securities of the Corporation and other property which they would have received had their Series A Preferred Stock been converted into common stock on the date of such event and had they thereafter, during the period from the date of such event to and including the date of conversion, retained such securities and other property receivable by them as aforesaid during such period, subject to all other adjustments called for during such period under this Section 4(f) with respect to the rights of the holders of the Series A Preferred Stock.

g) Certificate as to Adjustments. Upon the occurrence of each adjustment or readjustment of the Series A Conversion Rate pursuant to Section 4(f), the Corporation at its expense shall promptly compute such adjustment or readjustment in accordance with the terms hereof and furnish to each holder of the Series A Preferred Stock a certificate setting forth such adjustment or readjustment and showing in detail the facts upon which such adjustment or readjustment is based. The Corporation shall, upon the written request at any time of any holder of Series A Preferred Stock, furnish or cause to be furnished to such holder a like certificate setting forth (i) such adjustments and readjustments; (ii) the Series A Conversion Rate at the time in effect; and (iii) the number of shares of common stock and the amount, if any, of other securities, cash or property which at the time would be received upon the conversion of the Series A Preferred Stock.

h) Fractional Shares. Fractional shares of Series A Preferred Stock may be issued and all conversion, voting and other rights shall be applied to such fractional shares on a proportional basis; provided, however, that in lieu of any fractional shares of common stock to which the holder of Series A Preferred Stock would be entitled upon conversion or otherwise pursuant hereto, the Corporation shall issue to such holder, one whole share of common stock. The number of whole shares to be issuable to each holder upon such conversion shall be determined on the basis of the number of shares of common stock issuable upon conversion of the total number of shares of Series A Preferred Stock of such holder at the time converting into common stock.

5) Liquidation.

a) In the event of any voluntary or involuntary liquidation, dissolution or winding up of the Corporation, the assets of the Corporation available for distribution to stockholders shall be distributed among the holders of the shares of Series A Preferred Stock and common stock, pro rata based on the number of shares held by each such holder, treating for this purpose all such securities as if they had been converted

to common stock pursuant to the terms hereof immediately prior to such dissolution, liquidation or winding up of the Corporation.

b) In the event of any voluntary or involuntary liquidation, dissolution or winding up of the Corporation which will involve the distribution of assets other than cash, the Corporation shall promptly engage an independent appraiser to determine the fair market value of the assets to be distributed to the holders of shares of its capital stock. The Corporation shall, upon receipt of such appraiser's valuation, give prompt written notice to each holder of shares of Series A Preferred Stock of the appraiser's valuation. Any equity securities of other entities to be distributed shall be valued as follows: (i) if the common stock is listed on a national securities exchange or NASDAQ, the last sale price of the common stock in the principal trading market for the common stock on such date or, if there are no sales common stock on that date, then on the next preceding date on which there were any sales of common shares, as reported by the exchange or NASDAQ, as the case may be; or (ii) if the common stock is not listed on a national securities exchange or NASDAQ, but is traded in the over-the-counter market, the closing bid price for the common stock on such date, as quoted by the OTC Bulletin Board or the National Quotation Bureau, Incorporated or similar publisher of such quotations or, if there are no sales common stock on that date, then on the next preceding date on which there were any sales of common shares, as quoted by the OTC Bulletin Board or the National Quotation Bureau, Incorporated or similar publisher of such quotations, as the case may be; or (iii) if the fair market value of the common stock cannot be determined pursuant to clause (i) or (ii) above, such price as the Board of Directors of the Corporation shall reasonably determine, in good faith.

5) Registration Rights. None.

6) Redemption. Series A Preferred Shares are not redeemable.

7) No Impairment. Except and to the extent as waived or consented to by the holder, or as otherwise provided herein, the Corporation shall not by any action, including, without limitation, amending its Articles of Incorporation or Bylaws, or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms of the Series A Preferred Stock, but will at all times in good faith assist in the carrying out of all such terms and in the taking of all such actions as may be necessary or appropriate to protect the rights of holders as set forth in this Certificate of Designations against impairment.

8) Loss, Theft, Destruction of Series A Preferred Stock Certificates. Upon receipt of evidence satisfactory to the Corporation of the loss, theft, destruction or mutilation of shares of Series A Preferred Stock and, in the case of any such loss, theft or destruction, upon receipt of indemnity or security reasonably satisfactory to the Corporation, or, in the case of any such mutilation, upon surrender and cancellation of the Series A Preferred Stock, the Corporation shall make, issue and deliver, in lieu of such lost, stolen, destroyed or mutilated shares of Series A Preferred Stock, new shares of Series A Preferred Stock of like tenor. The Series A Preferred Stock shall be held and owned upon the express condition that the provisions of this Section are exclusive with respect to the replacement of mutilated, destroyed, lost or stolen shares of Series A Preferred Stock and shall preclude any and all other rights and remedies notwithstanding any law or statute existing or hereafter enacted to the contrary with respect to the replacement of negotiable instruments or other securities without the surrender thereof.

9) Notices. The holders of the Series A Preferred Stock shall be entitled to receive all communications sent by the Corporation to the holders of the common stock. Any notice required by the provisions of this Section 10 to be given to the holder of shares of the Series A Preferred Stock shall be deemed given when personally delivered to such holder or five business days after the same has been deposited in the United

States mail, certified or registered mail, return receipt requested, postage prepaid, and addressed to each holder of record at his address appearing on the books of the Corporation.

10) Severability. If any right, preference or limitation of the Series A Preferred Stock set forth herein is invalid, unlawful or incapable of being enforced by reason of any rule, law or public policy, all other rights, preferences and limitations set forth herein that can be given effect without the invalid, unlawful or unenforceable right, preference or limitation shall nevertheless remain in full force and effect, and no right, preference or limitation herein shall be deemed dependent upon any other such right, preference or limitation unless so expressed herein.

11) Seniority. The Series A Preferred Stock shall be senior to any additional Series of Preferred Stock issued by the Corporation.

Series B Preferred Stock:

1. Designation and Amounts. The series of preferred stock authorized hereunder shall be designated as the "Series B Preferred Stock." The number of shares constituting such series shall initially be one million (1,000,000) which number may from time to time be changed by the Board of Directors. The par value of the Series B Preferred Stock shall be \$.001 par value. All shares of Series B Preferred Stock shall be identical with each other in all respects.

2. Rank. The Series B Preferred Stock shall rank, with respect to dividend rights and rights on liquidation, dissolution and winding-up of the affairs of the Corporation equal to the Common Stock and junior to each class or series of capital stock (except any other class of Series B Preferred Stock) which expressly provides that it ranks senior to the Series B Preferred Stock as to dividends or upon liquidation, dissolution and winding-up, or as to any other right or preference.

3. Conversion. The holders of Series B Preferred Stock shall have conversion rights as follows ("Conversion Rights"):

(a) Automatic Conversion. Each shares of Series B Preferred Stock shall not be convertible unless the Corporation's Certificate of Incorporation has an adequate number of authorized shares of Common Stock available for issuance in an amount sufficient to permit the conversion of all the shares of Series B Preferred Stock, and all other convertible securities and instruments of the Corporation. Conditioned upon the foregoing, each share of Series B Preferred Stock shall automatically convert into one hundred (100) fully paid and nonassessable share of Common Stock of the Corporation.

(b) Mechanics of Conversion. At such time as the conditions described in Section 3(a) shall have occurred, holders of the Series B Preferred Stock shall surrender the certificates therefor, duly endorsed, at the office of the Corporation or of any transfer agent for the Series B Preferred Stock. The Corporation shall, as soon as practicable thereafter, issue and deliver at such office to such holder of Series B Preferred Stock, a certificate or certificates for the number of shares of Common Stock of the Corporation to which such holder shall be entitled as aforesaid. Such conversion shall be deemed to have been made immediately prior to the close of business on the date the conditions set forth in Section 3(a) herein have been satisfied and the person or persons entitled to receive the shares of Common Stock issuable upon such conversion shall be treated for all purposes as the record holder or holders of such shares of Common Stock as of such date.

(c) No Impairment. This Corporation will not, by amendment of its Certificate of Incorporation or through any reorganization, recapitalization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms to be observed or performed hereunder by this Corporation, but will at all times in good

faith assist in the carrying out of all the provisions of this Section 3 and in the taking of all such action as may be necessary or appropriate in order to protect the Conversion Rights of the holders of the Series B Preferred Stock against impairment.

(d) No Fractional Shares. No fractional shares shall be issued upon the conversion of any share or shares of the Series B Preferred Stock and the number of shares of Common Stock to be issued shall be rounded to the nearest whole share. Whether or not fractional shares are issuable upon such conversion shall be determined on the basis of the total number of shares of Series B Preferred Stock the holder is at the time converting into Common Stock and the number of shares of Common Stock issuable upon such aggregate conversion.

(e) Notices of Record Date. In the event the Corporation takes record of the holders of any class of securities for the purpose of determining which holders are entitled to receive any dividend (other than a cash dividend) or other distribution, any right to subscribe for, purchase or otherwise acquire any shares of stock of any class or any other securities, property or other right, the Corporation shall mail to each holder of Series B Preferred Stock, at least 20 days prior to the date specified therein, a notice specifying the date on which any such record is to be taken for the purpose of such dividend, distribution or right, and the amount and character of such dividend, distribution or right.

(f) Reservation of Stock Issuable Upon Conversion. Solely for the purpose of effecting the conversion of the shares of the Series B Preferred Stock, the Corporation shall at all times, subject to the conditions described in Section 3(a), reserve and keep available out of its authorized but unissued shares of Common Stock, such number of shares of its Common Stock as shall from time to time be sufficient to effect the conversion of all outstanding shares of the Series B Preferred Stock; and if at any time the number of authorized but unissued shares of Common Stock shall not be sufficient to effect the conversion of all then outstanding shares of the Series B Preferred Stock, the Corporation will take such corporate action as, in the opinion of counsel to the Corporation, may be necessary and authorized to increase its authorized but unissued shares of Common Stock to such number of shares of Common Stock to such number of shares as shall be sufficient for such purposes.

(g) Notices. Any notice required by the provisions of this Section 3 to be given to the holders of shares of Series B Preferred Stock shall be deemed given if deposited in the United States mail, postage prepaid, and addressed to each holder of record at his or her address appearing on the books of this Corporation.

4. Redemption.

(a) Exercise of Redemption Right. Subject to the rights of series of Preferred Stock which may from time to time come into existence, at the option of the Corporation, the Corporation shall have the right to redeem that number of shares of Series B Preferred Stock held by any holder and specified in a written notice of redemption ("Redemption Notice") sent or delivered to the holder, by paying to the holder, in cash, an amount per share of Series B Preferred Stock identified in the Redemption Request, equal to the ten (10) day average closing market ask price for a share of the Corporation's common stock multiplied by 100 for the prior ten (10) days before the date of the Redemption Notice, plus any declared but unpaid dividends on each such share. The total sum payable per share pursuant to a Redemption Request is hereinafter referred to as the "Series B Preferred Stock Redemption Price".

(b) Mechanics of Redemption. Redemption Notices shall be sent or delivered to the holder at such holder's address as set forth in the books of the Corporation. Such Redemption Notice shall be sent at least twenty (20) days prior to the redemption date specified in the Redemption Notice. Each

Redemption Notice shall state: (i) the redemption date; (ii) the number of shares to be redeemed; (iii) the redemption price per share; (iv) the place where certificates may be surrendered for payment of the redemption price; and (v) that the holder's right to convert pursuant to subsection 5 above shall terminate upon the expiration of ten (10) days after receipt of the Redemption Notice. The Corporation shall, as soon as practicable after the redemption date, pay to the holder the Series B Preferred Stock the redemption price upon delivery to the Corporation of the certificates of Series B Preferred Stock to be redeemed. Upon payment by the Corporation of the Series B Preferred Stock Redemption Price, all rights in respect of the shares of Series B Preferred Stock redeemed shall cease.

5. Voting Rights. The holders of shares of Series B Preferred Stock shall have the right to one hundred (100) votes for each share of Series B Preferred Stock held, and with respect to such vote, such holder shall have full voting rights and powers equal to the voting rights and powers of the holders of Common Stock, and shall be entitled, notwithstanding any provision hereof, to notice of any stockholders meeting in accordance with the bylaws of this Corporation, and shall be entitled to vote, together with holders of Common Stock, with respect to any question upon which holders of Common Stock have the right to vote. Fractional votes shall not, however, be permitted and any fractional voting rights available on an as-converted basis (after aggregating all shares into which shares of Series B Preferred Stock held by each holder could be converted) shall be rounded to the nearest whole number (with one-half being rounded upward).

6. Common Stock Dividends, Subdivisions, Combinations, etc. In case the Corporation shall hereafter (i) declare a dividend or make a distribution on its outstanding shares of Common Stock in shares of Common Stock, (ii) subdivide or reclassify its outstanding shares of Common Stock into a greater number of shares, or (iii) combine or reclassify its outstanding shares of Common Stock into a smaller number of shares, the number of outstanding shares of Series B Preferred Stock in effect at the time of the record date for such dividend or distribution or of the effective date of such subdivision, combination or reclassification shall be adjusted so that it shall equal the same percentage of shares outstanding determined by multiplying the number of shares of Series B Preferred Stock by a fraction, the denominator of which shall be the number of shares of Common Stock outstanding after giving effect to such action, and the numerator of which shall be the number of shares of Common Stock outstanding immediately prior to such action. Such adjustment shall be made successively whenever any event listed above shall occur.

7. Status of Converted or Redeemed Stock. In the event any shares of Series B Preferred Stock shall be converted or redeemed pursuant to Section 3 or Section 4 hereof, the shares so converted or redeemed shall be canceled and shall be available for issuance by the Corporation in accordance with the Corporation's Certificate of Incorporation.

8. Loss, Theft, Destruction of Series B Preferred Stock Certificates. Upon receipt of evidence satisfactory to the Corporation of the loss, theft, destruction or mutilation of shares of Series B Preferred Stock and, in the case of any such loss, theft or destruction, upon receipt of indemnity or security reasonably satisfactory to the Corporation, or, in the case of any such mutilation, upon surrender and cancellation of the Series B Preferred Stock, the Corporation shall make, issue and deliver, in lieu of such lost, stolen, destroyed or mutilated shares of Series B Preferred Stock, new shares of Series B Preferred Stock of like tenor. The Series B Preferred Stock shall be held and owned upon the express condition that the provisions of this Section are exclusive with respect to the replacement of mutilated, destroyed, lost or stolen shares of Series B Preferred Stock and shall preclude any and all other rights and remedies notwithstanding any law or statute existing or hereafter enacted to the contrary with respect to the replacement of negotiable instruments or other securities without the surrender thereof.

9. Notices. The holders of the Series B Preferred Stock shall be entitled to receive all communications sent by the Corporation to the holders of the common stock. Any notice required by the provisions of this Section to be given to the holder of shares of the Series B Preferred Stock shall be deemed given when personally delivered to such holder or five business days after the same has been deposited in the United States mail, certified or registered mail, return receipt requested, postage prepaid, and addressed to each holder of record at his address appearing on the books of the Corporation.

10. Severability. If any right, preference or limitation of the Series B Preferred Stock set forth herein is invalid, unlawful or incapable of being enforced by reason of any rule, law or public policy, all other rights, preferences and limitations set forth herein that can be given effect without the invalid, unlawful or unenforceable right, preference or limitation shall nevertheless remain in full force and effect, and no right, preference or limitation herein shall be deemed dependent upon any other such right, preference or limitation unless so expressed herein.
