The document submitted does not meet legibility requirements for electronic filing. Please do not attempt to refax this document until the quality has been improved.

The name designated in your document is unavailable since it is the same as, or it is not distinguishable from the name of an existing entity.

Please select a new name and make the correction in all appropriate places. One or more major words may be added to make the name distinguishable from the one presently on file.

Adding "of Florida" or "Florida" to the end of a name is not acceptable.

The document number of the name conflict is P12000082016 (MORA'S USA CORPORATION).

If your business entity does not intend to transact business until January 1st of the upcoming calendar year, you may wish to revise your document to include an effective date of January 1st. If you do not list an effective date of January 1st, your business entity will become effective this calendar year and it will be required to file an annual report and pay the required annual report fee for the upcoming calendar year this coming January, which is merely weeks away. By listing an effective date of January 1st, the entity's existence will not begin until January 1st of the upcoming year and will, therefore, postpone the entity's requirement to file an annual report and pay the required annual report filing fee until the following calendar year.
