

Section 215.26, Florida Statutes, states in part: "Applications for refunds as provided in this section shall be filed with the Comptroller, except as otherwise provided herein, within 3 years after the right to such refund shall have accrued else such right shall be barred." Three years is generally interpreted as meaning three years from the date of payment into the State treasury. The Comptroller has delegated the authority to accept applications for refund to the unit of State government which initially collected the money.
