**A. COMMON STOCK:** The aggregate number of shares of common stock (the "Common Stock") authorized to be issued by this Corporation shall be 750,000,000, with a par value of \$0.001 per share. Each share of issued and outstanding Common Stock shall entitle the holder thereof to fully participate in all shareholder meetings, to cast one vote on each matter with respect to which shareholders have the right to vote, and to share ratably in all dividends and other distributions declared and paid with respect to the Common Stock, as well as in the net assets of the corporation upon liquidation or dissolution.

**B. PREFERRED STOCK:** The Corporation is authorized to issue 500,000,000 shares of \$0.001 par value preferred stock (the "Preferred Stock"). The Board of Directors shall exercise the foregoing authority by adopting a resolution setting forth the designation of each series and the number of shares therein, and fixing and determining the relative rights and preferences thereof. The Board of Directors may make any change in the designation, terms, limitations and relative rights or preferences of any series in the same manner, so long as no shares of such series are outstanding at such time.

Within the limits and restrictions, if any, stated in any resolution of the Board of Directors originally fixing the number of shares constituting any series, the Board of Directors is authorized to increase or decrease (but not below the number of shares of such series then outstanding) the number of shares of any series subsequent to the issue of shares of such series. In case the number of shares of any series shall be so decreased, the share constituting such decrease shall resume the status which they had prior to the adoption of the resolution originally fixing the number of shares of such series.
