Ref: Statement of Fact
Division of Corporations - Notice of Change or Filing on P13000021526

To whom it may concern;

Helicopter Institute Inc is a Florida Corporation is owned by three (3) individuals: Randal Rowles, Samantha Rowles & Bill Young.

On November 13, 2023 one of the principal owners (Randy Rowles) received an email from Sunbiz.org notifying of a change to our corporation's records. Upon further investigation, it became evident that an individual (Dominicano Troncoso) had fraudulently filed an annual report under Helicopter Institute Inc (November 13, 2023) and titled himself as Vice President of our company.

This individual also changed our principal address and mailing address to what's listed below:

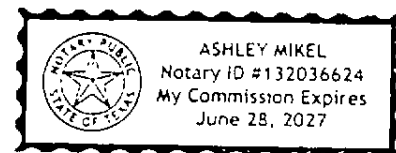

17701 SW 142nd Ct
Miami, FL 33177

This is an unknown individual that has no legitimate ties to Helicopter Institute. Being as only one (1) annual report can be filed within any given 24-hour period, making corrections/removing Mr. Troncoso from the Officer/Director list will be made on November 14, 2023.

Please advise if anything further action need to take place, and how this can be prevented from happening again in the future.

Thank you,

Samantha Rowles
