Statement of Fact

On October 11, 2019 a fictitious and fraudulent "amended" annual return was filed under my corporation without my knowledge or consent. I DID NOT authorize to change the mailing address, registered agent/address or officer/director on my Corporation. The address that this criminal changed it to is actually a retention pond down my street. I do not know an Anthony Brunson or know why he would target my corporation. Luckily I received the email on Friday 10/11/2019 that notified me that changes were made. I do not know if he changed the email for "future notifications" but all correct information is listed below. A police report has been filed with the Pasco County Sheriffs Office. Case number

19-042976.
