Hello Justin

I just attempted to register a new corporation titled Continuum Innovations Inc, (confirmation 200247201282) and received an email of rejection because of a conflict regarding the name. The name in conflict, Continuum Innovations LLC (document number L12000110098) also belongs to each partner of the new corp that we are trying to form. All of the members are the same of this new company. I just called into the office and was advised to provide this letter of explanation and the names of the officers for you to verify and grant approval.
