We have received your document for TW NEUROVASCULAR RESEARCH, INC. and your check(s) totaling \$78.75. However, the enclosed document has not been filed and is being returned for the following correction(s):

Florida law requires the street address of the principal office and, if different the mailing address of the entity. A post office box is not acceptable for the principal office.

You must list at least one incorporator with a complete business street address.

I know that you are dissolving the nonprofit corporation but I do not have the letter of release so please resend it with the corrections that you need to make for this filing.

Please return your document, along with a copy of this letter, within 60 days or your filing will be considered abandoned.
