The preferences, limitations, voting powers and relative rights of the Class A Common Stock, the Class B Common Stock, Class C Common Stock (subject to the preferences and rights of the Preferred Stock as determined by the Board of Directors pursuant to Section 2.2 of these Articles) are as follows:

(ii) Except as otherwise expressly provided in these Articles or required pursuant to the Act, each holder of Class A Common Stock shall be entitled to one (1) vote for each share of

Class A Common Stock held as of the applicable record date on any matter that is submitted to a vote of the shareholders of this corporation (including, without limitation, any matter voted on at a shareholders' meeting), and

(iii) Except as otherwise expressly provided in these Articles or required pursuant to the Act, each holder of Class B Common Stock shall be entitled to ten (10) votes for each share of Class B Common Stock held as of the applicable record date on any matter that is submitted to a vote of the shareholders of the corporation (including, without limitation, any matter voted on at a shareholders' meeting).

Subject to the preferences applicable to any series of Preferred Stock, if any, outstanding at any time, shares of Class A Common Stock, Class B Common Stock, and Class C Common Stock shall be treated equally, identically and ratably, on a per share basis, with respect to any Distribution as may be declared by the Board of Directors from time to time with respect to the Common Stock, unless different treatment of the shares of each such class is approved by the affirmative vote of the holders of a majority of the outstanding shares of Class A Common Stock and the holders of a majority of the outstanding shares of Class B Common Stock, each voting separately as a separate voting group; provided, however, that in the event any such Distribution declared by the Board of Directors with respect to the Common Stock is paid in the form of Class A Common Stock, Class B Common Stock or Class C Common Stock (or Rights to acquire such class of stock), then holders of Class A Common Stock shall receive Class A Common Stock (or Rights to acquire such stock, as the case may be), holders of Class B Common Stock shall receive Class B Common Stock (or Rights to acquire such stock, as the case may be), and holders of Class C Common Stock shall receive Class C Common Stock (or Rights to acquire such stock, as the case may be). (4) a corporation in which such Founder directly, or indirectly through one or more Permitted Entities, owns shares with sufficient Voting Control in the corporation, or otherwise has legally enforceable rights, such that such Founder retains sole dispositive power and exclusive Voting Control with respect to the shares of Class B Common Stock held by such corporation; provided that in the event such Founder no longer owns sufficient shares or no longer has sufficient legally enforceable rights to enable such Founder to retain sole dispositive power and exclusive Voting Control with respect to the shares of Class B Common Stock held by such corporation, each share of Class B Common Stock then held by such corporation shall automatically convert into one (1) fully paid and nonassessable share of Class A Common Stock;

(iii) Conversion Upon Death or Mental Disability. Each share of Class B Common Stock held of record by a Founder, or by any of such Founder's Permitted Entities, shall automatically, without any further action, convert into one fully paid and nonassessable share of Class A Common Stock upon the death or Mental Disability of such Founder; provided, however, that:

(A) If a Founder or such Founder's Permitted Entity (in either case, the "**Transferring Founder**") transfers exclusive Voting Control (but not ownership) of shares of Class B Common Stock to the other Founder (the "**Transferee Founder**") which transfer of Voting Control is contingent or effective upon the death or Mental Disability of the Transferring Founder, then each share of Class B Common Stock that is the subject of such transfer shall automatically convert into one fully paid and nonassessable share of Class A Common Stock upon that date which is the earlier of: (a) nine months after the earlier of the date upon which the Transferring Founder died or the date upon which Mental Disability in respect of such Transferring Founder occurred, as the case be, or (b) the date upon which the Transferee Founder ceases to hold exclusive Voting Control over such shares of Class B Common Stock; provided, further, that if the Transferee Founder shall die or suffer Mental Disability within nine months following the death or Mental Disability, as the case may be, of the Transferring Founder, then a trustee designated by the Transferee Founder and approved by the Board of Directors may exercise Voting Control over: (x) such shares of Class B Common Stock of the Transferring Founder or the Transferring Founder's Permitted Entity and, in such instance, each such share of Class B Common Stock shall automatically convert into one fully paid and nonassessable share of Class A Common Stock upon that date which is the earlier of (1) nine months after the earlier of the date upon which the Transferring Founder died or the date upon which Mental Disability in respect of such Transferring Founder occurred, as the case be, or (2) the date upon which such trustee ceases to hold exclusive Voting Control over such shares of Class B Common Stock; and (y) the

Transferee Founder's shares of Class B Common Stock (or shares of Class B Common Stock held of record by any Permitted Entity of the Transferee Founder) and, in such instance, each such share of Class B Common Stock shall automatically convert into one fully paid and nonassessable share of Class A Common Stock upon that date which is the earlier of (1) nine months after the earlier of the date upon which the Transferee Founder died or the date upon which Mental Disability in respect of such Transferee Founder occurred, as the case be, or (2) the date upon which such trustee ceases to hold exclusive Voting Control over such shares of Class B Common Stock; and

(iv) Procedures. This corporation may, from time to time, establish such policies and procedures relating to the administration of the dual class structure, including, without limitation, the issuance of stock certificates or procedures with respect to book entry systems, as it deems necessary or advisable. A determination by the Secretary of this corporation (the "*Secretary*") with respect to whether a Transfer results in a conversion to Class A Common Stock shall be conclusive and binding.

(v) Mechanics of Conversion. Before any holder of Class B Common Stock shall be entitled to convert voluntarily some or all shares of such holder's Class B Common Stock into shares of Class A Common Stock pursuant to Section 2.3(e)(i) of this Article 2, such holder shall give signed written notice (the "*Conversion Notice*") to the Secretary at the office of this corporation that such holder elects to convert the same, shall state therein the number of shares to be converted into shares of Class A Common Stock, and shall surrender the certificate or certificates evidencing the shares of Class B Common Stock of which all or a portion are to be converted, at the office of this corporation (and accompanied by all transfer taxes (or proof of payment thereof), if any); provided, however, that if the certificate or certificates evidencing the shares to be converted have been lost, stolen, or destroyed, the holder may, in lieu of delivering such certificate or certificates, notify the Secretary that such certificate or certificates have been lost, stolen, or destroyed and execute and deliver an agreement satisfactory to this corporation (the "*lost certificate agreement*") to indemnify this corporation from any loss incurred by it in

*AM*

connection with such certificate or certificates. If requested by such holder, this corporation shall, as soon as practicable thereafter, provide for the issuance and delivery to such holder, at the address for delivery indicated in the Conversion Notice, of a certificate or certificates for the number of shares of Class A Common Stock into which such holder has elected to convert the applicable shares of Class B Common Stock and to which such holder shall be entitled as aforesaid. Such conversion shall be deemed to have been made immediately before the close of business on the later of (A) the date of receipt by the Secretary of the Conversion Notice and (B) the date of either (i) the surrender to the Secretary of the certificate or certificates evidencing the shares of Class B Common Stock to be converted or (ii) the delivery of the lost certificate agreement, as the case may be (the later of the dates under clause (A) or clause (B), the "**Voluntary Conversion Date**"), and the holder entitled to receive the shares of Class A Common Stock upon such conversion shall be treated for all purposes as the record holder of such shares of Class A Common Stock on such Voluntary Conversion Date. Notwithstanding anything to the contrary in this Section 2.3, upon the written agreement of the holders of a majority of the outstanding shares of Class B Common Stock and the corporation, this corporation may amend the procedures, or adopt other procedures, governing the voluntary conversion of the Class B Common Stock.
