Document # P13000065453

My corporate filing on SunBiz has been changed on or about June 8, 2023, by fraud which is a 3rd-degree felony as provided for in s. 817.155, F.S. Since the business was established in 2013, my mailing and principal address stayed the same and will not change as long as the business is active. Further, since the first corporate filing in 2013, there was no change whatsoever other than the fraudulent change. The 3700 QUEBEC STREET DENVER, CO 80207 address belongs to my former wife, Angela Stephens, the address in her CO Driver's license too, that I divorced from her in 2012. She has recently filed fraudulent workers comp insurance claims against my company, was denied by the insurance provider for fraud, and reported to Florida Division of Investigative & Forensic Services by the insurance company. I respectfully request this fraud be investigated and reported to authorities. I had to pay to file correcting my address on June 8, 2023 see the attached payment and illegal changes before I corrected. I will monitor daily and if there are any future illegal changes and I will try to file corrections promptly. I am the only officer of FL Shutters & Screen Inc since the business started in 2013, and I have never made or approved, or given any permission to anyone to make any changes. This was a clear violation of Florida Statutes and as defined, it is 3rd-degree Felony.
