Re.; Doc. #W13000046164.

Dear Ms. Smith,

As per our telephone conversation today, on 3/25/13 I formed Ocasio Transport, LLC of which I am the only principle and I did this online. However at the time I thought I was creating a corporation.

After a conversation recently with my accountant, I now realize what I did and went online again to create the actual corporation under the same name (Ocasio Transport) but ending as an INC and not a LLC. I thought that LLC was a limited liability corporation.

I have attached the email that I got today in this regard and please note that I am the owner or principle of the company and that I request that the name Ocasio Transport be approved as a corporation.

Respectfully submitted,

Jose Ocasio
