On behalf of my client, referenced below, I submitted Articles of Incorporation. We received an e-mail from your office indicating that the name designated in our document is unavailable since it is the same as, or it is not distinguishable from the name of an existing entity. When I spoke to you earlier today regarding this matter, you indicated I should send a fax stating that the existing entity B&G Strategies LLC is the same entity as B&G Strategies Inc.. They had another company file the LEC request for them when in fact they actually wanted Articles of Incorporation to be filed. I am in the process of correcting this matter for them.

Can you please let me know when the Articles of Incorporation have been accepted by the Department?

Thank you for your assistance in this matter.
