Re: **Document P11000106142: No Revocation of Dissolution**

Dear Sir or Madam:

A few hours ago, I submitted a request online for dissolution of Bovino Law Group, P.A. (Document P1100006142) on your website.

I did this because there was an uncorrectable error in the filing. And, based on my telephone conversation with one of your colleagues yesterday, the best course of action was to dissolve the corporation as it exists on your website and subsequently file new articles of incorporation for Bovino Law Group, P.A. with the correct information. I intend to do so in the next few days.

Meanwhile, your colleague told me that it was important to write and explain that I will not revoke the dissolution that was applied for today. So, I am doing that now.

Again, my intention is to file new articles of incorporation for Bovino Law Group, P.A. with the correct information, and not to revoke the dissolution that I filed for today.

If you have any questions or concerns, please do not hesitate to contact me by phone or email.

Thank you,
